P R E F A C E.

N submitting the SIXTY-FOURTH EDITION of the EDINBURGH AND LEITH POST OFFICE DIRECTORY, the Publishers again gratefully acknowledge the very large amount of patronage hitherto received. Every endeavour has been made to render the Directory worthy of public confidence, and it is hoped that the present issue will be found such as to merit a continuance of that support which the public has conferred for so many years.

The Publishers return thanks to the gentlemen who have kindly supplied valuable information and data for the work.

In this year's publication about 1000 names have been added to the General Directory; the Streets and Professions Directories being proportionally enlarged.

The Plan of Edinburgh and Suburbs, prepared expressly for this Work, is revised down to date, thereby furnishing valuable information in showing the progress of the City extension.

25th May 1869.

EXPLANATION.—In the Left-hand Table are the years of the Century, and above each is the Dominical Letter corresponding with that Year. Then, opposite to the Month, at the foot of the Right-hand Table, will be found a corresponding Letter, over which are placed the Days of the Month and Week for that Month (distinguishing the Sundays by a different type). Each Blank Space in the Left-hand Table shows the Year following to be Leap Year; and as every Leap Year has two Dominical Letters, the Letter above the Blank Space must be used for January and February in every Leap Year; and for the other months, use the Letters belonging to the respective Years.

By transposing the Dominical Letters, this Calendar would answer for any Century.

RATES OF POSTAGE, AND CONDITIONS OF TRANSMISSION.

INLAND LETTERS.

The rate of postage on all inland letters is regulated by weight, irrespective of distance; and is as follows:—

If Paid in Advance.

Letter weighing not more than half an ounce,	1d.
" " more than half an ounce, but not exceeding one ounce,	2d.
" " more than one ounce, but not exceeding one and a half,	3d.
" " more than one and a half ounces, but not exceeding two,	4d.
" " more than two ounces, but not exceeding two and a half,	5d.
" " more than two and a half ounces, but not exceeding three,	6d.

Unpaid Letters.

As a general rule, the postage, if not paid in advance, is double the foregoing; and if the payment in advance be insufficient, double the deficiency must be charged. An inland letter, for example,

weighing more than half an ounce, and not exceeding one ounce, if bearing a penny stamp only, is, on delivery, charged twopence. The unpaid additional postage on re-directed letters, however, is not doubled, being the same as if such postage were prepaid.

COLONIAL AND FOREIGN LETTERS.

The rates of postage on letters to foreign countries and the colonies are entered in the Table of Foreign and Colonial Postage.

ADDRESSES TO THE QUEEN, AND PETITIONS TO PARLIAMENT.

Petitions and addresses to Her Majesty, forwarded direct, are exempt from postage; and such petitions and addresses, as also petitions to either House of Parliament, if sent to a member of either House, are likewise exempt, provided they do not weigh more than two pounds, and are without covers, or in covers open at the sides. No letter or other enclosure, however, must be inserted; and if one be found, such enclosure, unless it bear the proper number of postage stamps, is charged as an unpaid letter.

NEWSPAPERS AND OTHER PERIODICAL PUBLICATIONS BEARING THE NEWSPAPER STAMP.

All periodical publications, including newspapers published in the United Kingdom, at intervals not exceeding thirty-one days, and which bear an impressed stamp or stamps denoting the stamp duty (of the kind formerly confined chiefly to news-

papers), may be transmitted and re-transmitted through the post within the United Kingdom free from postage, under the following regulations, viz.:—

1. They are subject to the same restrictions with regard to the number of sheets and superficial extent as were formerly applicable only to newspapers properly so called. These restrictions are shown in the following Table:—

Amount of Stamps impressed on the Publication.	Maximum Number of Sheets.	Maximum superficial Extent of Letterpress on One Side.
One Penny	Two	2295 inches.
Three Halfpence	Three	3443 „
Twopence	Four	4591 „

2. No publication, or portion thereof, can pass through the post, unless the impressed stamp which it bears be at least a stamp of the value of 1d.
3. The title and date of the publication must be printed at the top of every page.
4. The publication must be folded in such a manner, that the whole of the stamp or stamps, denoting the full duty, shall be exposed to view, and be distinctly visible on the outside, except that where there are more than two publications in the same cover, it will be considered sufficient if the stamps are so arranged that they can readily be examined.
5. It must not be printed on pasteboard or cardboard, or on two or more thicknesses of paper pasted together; nor must any pasteboard, cardboard, or such pasted paper be sent with it, as a back or cover thereto, or otherwise.
6. It must be posted within fifteen days from the date of publication.
7. It must either have no cover, or a cover open at the ends.
7. It must contain no enclosure.
8. It must have no writing or other mark thereon but the name and address of the person to whom it is sent, nor anything on the cover but such name and address, the printed title of the publication, and the printed name and address of the publisher or vendor who sends it. Thus, if a newspaper, after having the address of one person written on it, be sent to another person, the first address must be cut off, otherwise the paper will be charged as an unpaid letter.
10. If the publication be addressed to any person within the free delivery of the place where it is posted, it becomes liable to a postage of 1d., which must be prepaid by affixing a postage stamp. If this be not done, an additional postage of 2d. will be charged.
11. When a newspaper, etc. is so folded as not to expose the stamp or stamps, a postage of one penny is charged in addition to any other postage to which the publication, if properly folded, would have been liable; and if the newspaper, etc. be addressed to any person within the free delivery of the place where it is posted, and do not bear a penny postage label, it will be charged 2d. In case of any other irregularity, the publication is dealt

with in accordance with the regulations of the book post.

12. It is suggested that every publication should have a notice to purchasers conspicuously printed, pointing out the necessity of exposing the stamp or stamps to view whenever the publication is sent through the post.
13. Stamped publications can also be forwarded under the regulations of the book post; but when so sent, the impressed stamp does not count as any part of the postage.

Newspapers sent abroad, whether to a British colony or to a foreign country, are liable to the 3d, 5th, 6th, 7th, 8th, and 9th of the foregoing regulations; moreover, the name of the newspaper must have been registered at the General Post Office. Every such newspaper is liable to the postage entered in the Table of Colonial and Foreign Postage (British Postal Guide); and this postage must be prepaid in stamps. As respects newspapers going abroad, the impressed stamp stands for nothing. Publications registered for transmission abroad, although not strictly newspapers, are nevertheless, so far as the British Office is concerned, treated as such.

NEWSPAPERS FOR RUSSIA.

1. Political newspapers, in covers open at the ends or sides, cannot be received unless addressed either to members of the Imperial Family, to the Imperial Ministers, or members of the Diplomatic Corps.
2. Non-political newspapers may be sent, in addition to the personages mentioned above, only to the higher schools, to the Imperial Public Library, the Academy of Sciences, and established booksellers.
3. Printed prices current and printed circulars may be sent to persons residing in Russia, but are chargeable with a foreign rate of postage in addition.

PARLIAMENTARY PROCEEDINGS.

Printed proceedings of the Imperial Parliament sent without covers, or in covers open at the ends, may circulate within the United Kingdom at the rate of 1d. for every quarter of a pound, or fraction of a quarter of a pound.

The words **PARLIAMENTARY PROCEEDINGS** must be written or printed on the cover of the packet; otherwise it is treated as an ordinary book packet.

Prepayment, when the circulation is within the United Kingdom, is optional; and if it be made in part, the simple difference only is charged.

Parliamentary proceedings may be sent, under the book post privilege, to all the colonies, and to those foreign states between which and this country there is a book post.

INLAND BOOK POST.

The following are the regulations of the Inland Book Post:—

1. The postage is 1d. for every quarter of a pound or fraction of a quarter of a pound.
2. The postage must be prepaid by means of postage stamps affixed outside the packet or its cover. If the whole postage be not thus prepaid, the packet is treated in the manner described in section 9.
3. Every packet must be sent either without a cover, or in a cover open at the ends or sides, so as to admit of the enclosures being removed for examination. For the greater security of its contents, the packet may be tied at the ends with string; but in such case the postmaster is authorized to cut the string, although, if he do so, he must again tie up the packet.
4. A book packet may contain any number of separate books or other publications (including printed or lithographed letters), photographs (when not on glass, or in cases containing glass), prints, or maps, and any quantity of paper, parchment, or vellum; and the books or other publications, prints, maps, etc., may be either printed, written, engraved, lithographed, or plain, or any mixture of these; but no printed matter or prints can go, except such as may be printed on paper, parchment, or vellum. Further, all legitimate binding, mounting, or covering of a book, etc., or of a portion thereof, is allowed, whether such binding, etc. be loose or attached; as also rollers in the case of prints or maps, markers (whether of paper or otherwise) in the case of books, and, in short, whatever is necessary for the safe transmission of such articles, or usually appertains thereto; but the binding, etc. must not be sent as a separate packet, nor can patterns or books of patterns (unless these consist merely of *paper*) be permitted.
5. No book packet may contain anything which is sealed or otherwise closed against inspection; nor must there be any letter, nor any communication of the nature of a letter, whether separate or otherwise, unless the whole of such letter or communication be printed. Entries, however, merely stating who sends the book, etc., or to whom it is given, are not regarded as a letter. Indeed, as respects the name and address of the sender, writing is not only permitted, but recommended; so that if the cover come off, or for any other reason the packet cannot be forwarded, it may be returned.
6. No book packet must exceed two feet in length, or one foot in width or depth; and if any such packet be presented at a post office, it cannot be received.
7. Any packet which is not open at the ends or sides, or has any letter or communication of the nature of a letter written in it, or upon its cover, is charged with the 'unpaid' letter postage.
8. If a packet be found to contain any letter not wholly printed, whether closed or open, or any enclosure sealed or otherwise closed against inspection, or any other unauthorized enclosure, the letter or enclosures are taken

out and forwarded to the address on the packet, charged with the full postage as an unpaid letter, together with an additional rate; and the remainder of the packet, if duly prepaid with stamps, is then forwarded to its address.

9. If a packet be not sufficiently prepaid with stamps, but nevertheless bear a stamp of the value of one rate, it is forwarded, charged with the deficient book postage, together with an additional rate; but any packet which bears no postage stamp is charged with double the book postage.
10. In every case in which the postage chargeable under these regulations is greater than the letter rate, the latter postage is substituted.

It is the duty of postmasters, whenever they have ground for suspecting an infringement of any of the above conditions, and occasionally, even when there is no ground for suspicion, to open and examine book packets posted at or passing through their offices.

To prevent obstacles to the regular transmission of letters, a head postmaster may, when necessary, delay forwarding any book packet, not a newspaper, until the next despatch or delivery; and at packet offices the delay may, at the option of the postmaster, be either for that period, or until the despatch of the mail next after that by which the book packet ought otherwise to be forwarded.

The main business of the Post Office being the transmission of *letters*, the forwarding of books and newspapers, though an important, is only a secondary object, for which no arrangement can be made which would interfere with the quick and regular conveyance and delivery of letters. Books, therefore, which would be injured by being thrust into a bag, and hurriedly pressed down like a bundle of letters, should not be sent through the post.

COLONIAL AND FOREIGN BOOK POST.

Except that the rates of postage are higher, books can be sent to all British colonies, and to the foreign countries named in the list at page 581, on the same conditions as those of the Inland Book Post; and on those conditions books can also be sent to the countries enumerated at page 582, subject to the modifications there mentioned.

INLAND PATTERN AND SAMPLE POST.

The following are the rules of the Inland Pattern and Sample Post:—

1. The postage is 2d. for every quarter of a pound, or fraction of a quarter of a pound.
2. No packet of patterns or samples must exceed 24 oz. in weight. Any packet above that weight is sent to the Returned Letter Branch.
3. The postage must be prepaid by means of postage stamps.
4. There must be no writing or printing on the packet or its cover in addition to the address of the person for whom the packet is intended, except the address of the sender, a trade mark and numbers, and the prices of the articles: otherwise the packet is treated as a letter.
5. There must be no enclosure other than the samples themselves. The particulars which are allowed to be furnished under the preceding rule, must in all cases be given, not on loose pieces of paper, but on small labels attached to the samples or the bags containing them. Any loose enclosure is taken out, and forwarded to the address on the

- packet, charged with the full postage as an unpaid letter, together with an additional rate of 1d.
6. The patterns or samples must be sent in covers open at the ends, so as to be easy of examination. Samples, however, of seeds, etc. may be enclosed in boxes, or in bags of linen, or other material, fastened in such a manner that they may be readily opened; or in bags entirely closed, provided that they are transparent, so that the officers of the department may be able to satisfy themselves as to the nature of the contents. If this rule be infringed, the packet is treated as a letter.
 7. If a packet of patterns or samples be posted altogether unpaid, it is charged with double the postage which should have been prepaid. If a portion of the postage be prepaid, even although only a 1d. stamp be affixed, the packet is charged with the amount of the deficiency, together with an additional rate of 2d.
 8. In order to prevent any interruption to the regular transmission of letters, a packet of patterns or samples may, when it is necessary, be kept back by any head postmaster until the next despatch or delivery; but he must on no account detain them, except in the case specified, or beyond the time named.
 9. The rule which forbids the transmission through the post of any article which might injure the contents of the mail bags or the officers of the Post Office, is so far relaxed as to permit the transmission of scissors, knives, razors, forks, steel pens, nails, keys, watch machinery, metal tubing, pieces of metal or ore, and such like, as samples, provided that they be packed and guarded in so secure a manner as to afford complete protection to the contents of the mail bags and the officers of the Post Office, while at the same time the samples may be easily examined. If any packet containing such articles as these be posted, which is found not to be sufficiently guarded, it is stopped, and a notice of its detention is sent to the person to whom it is addressed, or to the sender, who may then obtain it upon personal application; but the packet is charged with a fine equal in amount to the postage to which it was liable as a packet of patterns.
 10. In every case in which the postage chargeable under these regulations is greater than the letter rate, the latter postage is substituted.

COLONIAL AND FOREIGN PATTERN AND SAMPLE POST.

Patterns and samples can be sent at the rates inserted in the Table of Colonial and Foreign Postage to such colonies and foreign countries as are marked in that Table with the letter 'P.' The conditions in these cases are for the most part the same as in the case of the Inland Pattern and Sample Post, the following being the only important exceptions:—

1. A packet of patterns or samples sent to Portugal, Madeira, the Azores, Cape de Verdes, France, or to Turkey, Syria, or Egypt, by French packet, must not exceed 18 inches in length, width, or depth; a packet to any other place abroad must not exceed 24 inches in length, or 12 inches in breadth or depth.
2. A packet of patterns or samples sent to Germany, Russia, or Belgium, or to any place

viâ Austria, must not exceed 8 oz. in weight; and the weight of a packet for Portugal, Madeira, the Azores, or Cape de Verdes, is limited to 1 lb.

3. None of the articles named in rule 9, above, may be sent as patterns or samples to any place abroad, except Germany, Belgium, Denmark, Sweden, Norway, Portugal, Madeira, the Azores, Cape de Verdes, and the British Colonies, and not to these places when addressed '*viâ France*.'
4. Bags entirely closed, even though they be transparent, must not be used for the transmission of seeds to foreign countries; and samples of intrinsic value must not be sent to foreign countries.

REGISTRATION OF LETTERS.

By the prepayment of a fee of 4d., any letter, newspaper, book, or other packet on which the postage has been prepaid in stamps, may be registered to any place in the United Kingdom, the British Colonies, Italy, or the German States; late fee, 4d. extra. To other foreign countries, only letters and packets prepaid at the letter rates can be registered; and to some countries, as shown in the Table of Colonial and Foreign Postage, there is no arrangement whatever for registration.

The registration of a packet makes its transmission much more secure; and the loss of a registered packet is a very rare occurrence. Nevertheless, by Act of Parliament, the Post Office is not responsible for the safe delivery of registered packets, though any officer who may neglect his duty on this point will be called to strict account. Sent in *unregistered* letters, valuable articles are exposed to risk; and the department cannot in any way undertake the safe conveyance of such packets. All inland or colonial letters, therefore, which unquestionably contain coin, even though they be posted without registration, are treated as registered, and charged on delivery with a double registration fee of 8d. in addition to the ordinary postage; and any such letters which cannot be registered in time to be forwarded by the mail for which they are posted, are detained for the next despatch.

Every letter to be registered should be presented at the window, and a receipt obtained for it, and should on no account be dropped into the letter-box. If, contrary to this rule, a letter marked 'Registered' be dropped into the letter-box, it will, if directed to any place in the United Kingdom or British Colonies, be liable to a registration fee of 8d., instead of the ordinary fee of 4d. A registered letter, if re-posted as an ordinary letter, with the word '*Registered*' un erased or erased in pencil only, will also be liable to a registration fee of 8d. Registered letters must be prepaid as regards both postage and registration fee; and if the letter be inland, such prepayment must be by stamps.

No letter-carrier, rural messenger, or other servant of the Post Office, is allowed to carry a letter for any person to be registered.

Parliamentary notices may be forwarded through the post under the following regulations:—

1. The words '*Parliamentary Notice*' must be legibly printed on the face of the letter; and in order to secure the speedy return of any notices which may be undelivered, the name and address of the solicitor issuing such parliamentary notice should also be legibly printed or written on the face of the letter; though this is not imperative.
2. These notices must be posted at the General Post Office in Edinburgh.

3. All notices which by the standing orders of either House of Parliament are required to be served on or before the 15th December, must be posted not later than the 12th December, unless the 12th fall on a Sunday, when they must be posted not later than the 11th; but those notices which, by the same orders, may be served after the 15th, may be posted after the 12th of that month.

4. The postage chargeable on these notices, and the registration fee of 6d. on each, must be prepaid by stamps.

5. The notices must be posted at the Post Office window, accompanied with duplicate lists of the addresses; the notices being arranged, for the convenience of comparison, in the order of the list. These lists will be examined by the officer in attendance at the window; and if they correspond with the addresses, he will sign and stamp every sheet of each list. One of the duplicate lists will then be returned to the person who brought the letters, and the other forwarded to the Secretary, General Post Office, London.

The hours for receiving such notices are the same as those for the registry of ordinary letters, unless they be presented at such a time as to interfere with the other duties of the office; in which case the postmaster may appoint any other time within the next twenty-four hours for receiving the same, provided that, when the notices are to be served on or before the 15th December, such arrangement do not delay the posting beyond the 12th. Re-directed parliamentary notices are, like letters, liable to an additional rate of postage.

The senders of parliamentary notices should, if possible, arrange on the previous day with the postmaster as to the most convenient time for posting them, and state the probable number.

LETTERS 'TO BE CALLED FOR.'

The Poste Restante being intended solely for the accommodation of strangers and travellers who have no permanent abode in Edinburgh, letters for residents in Edinburgh must not be addressed 'Post Office till called for.' Letters addressed to 'Initials,' 'Numbers,' or 'Fictitious Names,' cannot be received at the Poste Restante; if so addressed, they are returned to the writers.

No information can be given respecting letters which pass through a post office except to the persons to whom they are addressed; and in no other way is official information of a private character allowed to be made public.

PRIVATE BOXES AND BAGS.

Any person can have a private box who is willing to pay the appointed fee. This fee is fixed at one guinea per annum, and an additional guinea if a bag is used, to be paid in advance, and for a period ending 31st December. The same also, in most cases, are the terms for a private bag, except that in addition there is the cost of the bag itself, and a charge for conveyance, the maximum of the latter being half a guinea per annum if by a foot-messenger, and two guineas if by a mounted one. As the service of a private bag, however, may possibly delay the despatch of a general bag, none must be allowed without the permission of the surveyor.

POSTAGE STAMPS AND ENVELOPES.

Postage labels are of the respective values of 1d., 2d., 3d., 4d., 6d., 9d., 10d., 1s., 2s., and 5s. The embossed envelopes are of four sizes, and are sold

thus: one for 1½d., two for 2½d., four for 4½d., six for 6½d., eight for 9d., and 1s. 1½d. per dozen. Postage stamps are purchased from the public at the Money Order Office, and Branch Office, Leith, at a charge of ½d. on the value of 1s. 8d. and under, and 1d. on 3s. 4d. value, and so on, being at the rate of 2½ per cent.

Every rural messenger is authorized to sell postage stamps (including stamped envelopes) at the same prices at which postmasters are empowered to sell them; and when any person applies to him for postage labels, the messenger must either supply them, or (if he has none in his possession) must, without extra charge, receive the postage in money, and on his arrival at the Post Office, obtain labels for it, and affix them carefully to the letters.

MONEY ORDERS.

The public are recommended, when applying for Money Orders, to use printed 'Application Forms,' which save time, and afford greater security than verbal messages against mistakes. These forms are supplied gratuitously at all Money Order Offices.

The commission on Inland Money Orders is:—

On sums not exceeding £2,	. . .	3d.
Above £2, and	... 5,	. . . 6d.
... 5,	... 7,	. . . 9d.
... 7,	... 10,	. . . 1s.

No single Money Order can be issued for more than £10;* neither can an order contain a fractional part of a penny.

With the subjoined exceptions, no Money Order can be issued, unless the applicant furnish, in full, the surname, and at least the initial of one Christian name, both of the remitter and the payee, together with the remitter's address:—

1. If the remitter or payee be a peer or a bishop, his ordinary title is sufficient; and the usual designation of a firm is sufficient, except in the case of a company trading under a title which does not consist of the names of the persons composing it, as the 'Carron Company.'
2. When the remitter notifies that the order is to be paid through a bank, it is left to his option to give or withhold the name of the payee.

When application is made for a Money Order payable in London, or at any other town where there is more than one Money Order Office, the remitter should say at which of such offices he wishes it to be paid: otherwise the order can be cashed at the Head Office alone. It is not incumbent on a postmaster to supply such information relative to local or provincial offices.

An order once issued cannot be cancelled; and should repayment or transfer to a different office, or alteration of name, be required, the remitter must apply according to the directions printed on the back of the order.

In order to enable the remitter to obtain an acknowledgment of the receipt of a Money Order before the money is paid, it is arranged that he may make his order payable ten days after date, provided that, in the presence of the postmaster, when he obtains the order, he affixes thereto, in the space after the request C., a penny receipt stamp, and write his signature across the stamp.

When an order is presented for payment (otherwise than through a bank), the postmaster has

* The only exception to this rule in Scotland is when the order is issued in payment of Government taxes, and in favour of the Receiver-General of Inland Revenue. In such a case, the order is not limited as to amount.

first to see that the signature of the payee be as full as the name given in the advice, and be not in any way inconsistent therewith. He has then to call on the applicant to give the name of the remitter; and if the reply be correct, the order will be paid, unless the postmaster have good reason for believing that the applicant is neither the rightful claimant, nor deputed by him. When an order is paid through a bank, it is sufficient that it be receipted (without regard to any discrepancy between the signature and the name in the advice, or to whether the receipt is given by the payee himself, or by another person), and that it be presented (crossed with the name of the receiving bank) by some person known to be in the employment of the bank.

The holder of a Money Order is always at liberty to direct, by crossing it, that the order be paid through a bank, even though its payment was not originally so restricted; and when the order is thus crossed, the question put on the presentation of an ordinary Money Order is dispensed with.

Money Orders do not require a receipt stamp.

Payment of an order, issued and payable in the United Kingdom, must be obtained before the end of the second calendar month after that in which it was issued (for instance, if issued in January, it must be paid before the end of March); otherwise the order becomes lapsed, and a new order is necessary, for which a second commission is charged. The period for payment of orders issued in the United Kingdom, and payable in any colony authorized to transact Money Order business, including Gibraltar and Malta, is six months; and orders granted at those places on the United Kingdom are also payable during six months after that in which they were issued. A person presenting a lapsed order is furnished with a copy of a printed notice, headed 'Lapsed Money Orders,' containing directions how to proceed. If the order be not paid before the end of the twelfth calendar month after that in which it was issued (for instance, if issued in January, and not paid before the end of next January), all claim to the money is lost.

No application can be entertained for compensation for alleged injury from the non-payment of a Money Order at the expected time.

After once paying a Money Order, by whomsoever presented, the office is not liable to any further claim.

To guard against any person, even if he obtain possession of a Money Order, fraudulently getting it cashed, the remitter is recommended—

1. When he is well known to the payee, to sign the letter enclosing the order with his initials only.
2. When this is not the case, either to make the order payable ten days after date, or to register the letter enclosing it, or to make the order payable through a bank.
3. When it is not considered expedient to adopt either of these courses, to send the remitter's name (without a knowledge of which payment cannot be obtained) in a separate letter from that containing the Money Order; although this latter precaution is much less effective than either of the others.

Payment of an order cannot be demanded on the same day as that on which the order was issued.

In case of the miscarriage or loss of an inland Money Order, a duplicate is granted on a written application (with the necessary particulars, and enclosing the amount of a second commission, in postage stamps) to the Controller of the Money Order Office of England, Scotland, or Ireland, as the case may be, where the original order was issued; and if it be desired to stop payment of an

inland order, a similar application, with a like enclosure of postage stamps, must be made to the Controller of the Money Order Office of that part of the kingdom in which the order is payable. If alteration in the name of the payee or remitter of an inland Money Order should be required, application must be made by the remitter to the postmaster of the office at which the order was issued, and a second commission must be paid. Should transfer of payment of an inland order from one office to another in the United Kingdom, or repayment of the amount of an order, be required, an application enclosing the order must be made to the postmaster at whose office the order is payable, who will transmit in exchange a new order payable at the place desired, but for a less sum than the original order by the amount of the second commission charged for the re-issue. Proper printed forms for making applications in all these cases may be obtained at any Money Order Office, and full instructions on the subject will be found printed at the back of the Money Order. Whenever, on complaint being made, it is found that the necessity for an application, entailing the payment of a fresh commission, is attributable to the Post Office, the charge will be remitted to the applicant, and imposed on the officer in fault.

A postmaster is required to give information how to apply for a duplicate order, etc., and must furnish the prescribed form of application. If payment of an order be refused in consequence of the replies to the questions respecting the remitter not corresponding with the entries in the advice, or of a difference in the name in the receipt, the applicant for payment should communicate with the remitter, and request him to apply personally to the issuing postmaster.

No letter-carrier, rural messenger, or other servant of the Post Office, is bound to procure a Money Order for any person, or to obtain payment for one; but such services are not forbidden.

Money Orders are issued at all Money Order Offices in the United Kingdom of Great Britain and Ireland (see List, p. 596): on Money Order Offices in ALEXANDRIA, BAHIA, BUENOS AYRES, CONSTANTINOPLE, GIBRALTAR, HONG KONG, MALTA, MONTE VIDEO, PERAMBUCO, RIO JANEIRO, SHANGHAI, SUEZ, and YOKOHAMA, at a charge equal to threefold the commission on Inland Money Orders; and on Money Order Offices in the List on p. 604, at a charge equal to fourfold such commission.

The renewal of a lapsed order, the issue of a duplicate order, or the stoppage of payment of an order issued by a colony on the United Kingdom, will be made on application to the Controller of the Metropolitan Office of that portion of the United Kingdom in which such *Colonial Order* is payable, provided an additional British inland rate of commission be enclosed with the application; except in the case of lapsed orders, when the additional commission will be deducted from the amount of the new order issued by the department; but the lapsed order must be transmitted with the application for its renewal. Postmasters in the United Kingdom have power to transfer to other offices in the United Kingdom payment of colonial orders originally drawn on their own offices.

For repayment of the amount of a Money Order, or for the correction of any error respecting the name of the payee or remitter of an order issued by a colony on the United Kingdom, the application on the subject, enclosing an additional colonial inland rate of commission, must be addressed to the Controller of the Metropolitan Office of the colony in which such order was issued.

PRINCIPAL RULES OF THE GOVERNMENT INSURANCE AND ANNUITY OFFICE.

1. The Postmaster-General is empowered, under the Act 27 & 28 Vict. c. 43, to insure the lives of persons of either sex, between the ages of 16 and 60, for not less than £20 or more than £100. He is also empowered under the same Act to grant Immediate or Deferred Annuities of not more than £50 on the lives of persons of either sex, and of the age of 10 years and upwards. The persons whose lives are insured, or to whom Annuities are granted, by the Postmaster-General, have direct Government security for the payment of the money at the proper time.

2. Tables of the premiums to be charged for the Insurance of Lives; for the grant of Immediate Annuities; for the grant of Deferred Annuities or Deferred Monthly Allowances, without return of purchase money, and for the grant of Deferred Annuities or Deferred Monthly Allowances, with return of purchase money, may be seen at the General Post Office.

PREMIUMS CHARGED FOR THE INSURANCE OF LIVES.

Thus, a man aged 30 may purchase a Deferred Annuity of £10, to commence on his reaching the age of 60, and to be payable half-yearly, either by an immediate payment of £24 3 4

or,
By an annual payment, until he reaches the age of 60, of 1 8 4

A woman of like age may purchase a like Annuity by an immediate payment of 32 8 4

or,
An annual payment, up to 60, of 1 17 6

and a man aged 30 may purchase a Deferred Allowance of £2, 7s. 3d. per month, to commence when he reaches the age of 60, by a payment until he reaches that age of 8s. per month; and a woman of like age may, by a like payment of 8s. per month, purchase a Deferred Allowance of £1, 16s. 7d., to commence when she reaches the age of 60.

The Annuity or Monthly Allowance granted on any one life must not exceed £50 per annum, or £4, 3s. 4d. per month; but purchasers need not purchase the whole amount of such Annuity or Allowance at one time. They may begin by purchasing such part as they can afford to purchase, and go on increasing their purchases from time to time as their circumstances will permit.

Husband and Wife may each be insured to the full amount of £100, and may each purchase an Annuity of £50, or a Monthly Allowance of £4, 3s. 4d. Any two persons may purchase an Annuity on their joint lives, with or without continuance of the Annuity to the survivor.

Persons contracting for the insurance of their lives, or for the purchase of Annuities or Monthly Allowances, will be allowed to pay their periodical

premiums or instalments of purchase money at such of the post offices which have been or may hereafter be opened for the purpose, as will suit them best.

Persons proposing to effect insurances on their lives, or to purchase Deferred Monthly Allowances, must provide at their own cost such certificates of birth or baptism, or other evidence of age, as shall be required from them, but will not be required to pay any fee for medical examination, or to pay the cost of any inquiry which the Postmaster-General may think fit to make with regard to their health, habits, age, and occupation, or to pay any fee for the issue of any contracts which may be made in accordance with their proposals, or to pay any postage for the transmission of their proposals, or for the transmission of any correspondence arising out of such proposals between them and the Postmaster-General, inasmuch as a provision for all such costs and charges is included in the premiums which they will be required to pay, in accordance with the Tables framed for the purpose, for the insurance of their lives or the purchase of Deferred Monthly Allowances.

Persons proposing to purchase Immediate or Deferred Annuities, payable half-yearly, must provide at their own cost such certificates of birth or baptism, or other evidence of age as shall be required of them; and, inasmuch as the premiums fixed by the Tables framed for the grant of such Annuities do not include any provision for costs and charges, must pay, at the time of purchase, a fee of 1s. for every £1 of Annuity purchased.

PRINCIPAL RULES OF THE POST OFFICE SAVINGS BANK.

Post Office Savings Banks are established at Money Order Offices in the United Kingdom, and are open for the receipt and payment of money

daily during the hours appointed for Money Order business.

At these banks deposits of one shilling, or any number of shillings, will be received; but no one may deposit more than £30 in one year, or more than £150 in the whole, exclusive of interest.

Interest at the rate of £2, 10s. per cent. per annum (which is at the rate of sixpence in the pound for each year, or at the rate of one-halfpenny on each complete pound for each month, reckoning from the first day of the calendar month next following the day on which a complete pound has been deposited, up to the last day of the calendar month preceding the day on which the money is withdrawn) is allowed until the sum due to a depositor amounts to £200, when interest ceases to be allowed. The interest due to each depositor is added to the principal due to him on the 31st December in each year.

Every deposit in a Post Office Savings Bank must be immediately entered by the postmaster, or other person receiving it, in a book, which book is to be kept by the depositor; and the postmaster or other person receiving the deposit should affix his signature and the stamp of his office to each entry. Depositors should carefully examine their books before leaving the offices at which they make their deposits, and ascertain that they have obtained correct receipts for the sums deposited by them.

In addition to the receipts which the depositors will thus obtain in their deposit books, they will receive for each deposit an acknowledgment by post from the Savings Bank Department in London. This acknowledgment should reach the depositor within three days from the day on which he makes his deposit, if the deposit be made in England or Wales. If the deposit be made in Ireland or Scotland, the acknowledgment should reach the depositor within five days. The acknowledgment should be quite free from erasure, and should state the exact amount of the deposit, and the day on which the deposit was made. If the acknowledgment does not reach the depositor in proper time, or if, when it reaches him, it shows any signs of erasure, or does not agree with the entry in the depositor's book, the depositor should immediately apply to the Postmaster-General by letter, and should renew his application again and again until he obtains a satisfactory reply.

Once in each year, on the anniversary of the day on which the first deposit was made by him, the depositor should forward his deposit book to the Controller of the Post Office Savings Bank Department in London, in order that it may be compared with the books of that department, and in order that the interest due to the previous 31st December may be inserted in it.

When a depositor wishes to withdraw the whole or any part of the sum due to him, he must make application for the same to the Postmaster-General

on a printed form called a Notice of Withdrawal, which he can obtain at any Post Office Savings Bank. When he has properly filled up this form, he must fold it and secure it, and forward it by post as if it were an ordinary letter. In return for it he will receive, probably by return of post, a warrant for the amount required by him, payable at the Post Office Bank named by him in the Notice of Withdrawal.

A depositor in any Post Office Savings Bank may add to his deposits at that or any other Post Office Savings Bank, and may withdraw the whole or any part of them from that or any other Post Office Savings Bank, without change of deposit book. For instance, if he makes his first deposit at the Post Office Bank at Huddersfield, he may make further deposits at, or withdraw his money from, the Post Office Bank at Huddersfield, or Leeds, Manchester, Birmingham, Edinburgh, Dublin, or any other place which may be convenient to him.

No charge will be made to depositors for the books first supplied to them, or for the renewal of those books; but if any depositor shall lose his book, and shall desire a new book, he must make application to the Postmaster-General for the same, and must enclose in his application postage stamps to the value of 1s. to pay for the new book. If a depositor loses his book, he should immediately give notice of the loss to the Postmaster-General.

No charge for postage will be made on the depositor for any letter passing between him and the Savings Bank Department with regard to his deposits, or with regard to the withdrawal of the same, or for the transmission of his deposit book between him and the Savings Bank Department.

The postmasters and other officers of the Postmaster-General employed in the receipt or payment of deposits, are strictly forbidden to disclose the name of any depositor, or the amount of his deposits, except to the Postmaster-General, or to such of his officers as are appointed to assist in carrying on the business of the Post Office Banks.

A full statement of the regulations of the Post Office Banks may be seen in the 'British Postal Guide,' and at any Post Office Bank; where also information may be obtained with regard to the rules affecting—

- (A.) The deposits made by trustees on behalf of another person.
- (B.) The deposits of minors.
- (C.) The deposits of married women.
- (D.) The deposits of friendly or charitable or provident societies or penny banks.
- (E.) The repayment of the deposits of deceased depositors to their representatives.
- (F.) The repayment of the deposits of depositors who have become insane, or who are, from other causes, unable to act for themselves.

FOREIGN.

OPTIONAL OR COMPULSORY PREPAYMENT.

When a letter, addressed to go by a route that requires prepayment, is posted unpaid, and there is some other route where prepayment is not required, it is forwarded by that route; but if there be none, it is sent to the Returned Letter Office, to go back to the writer.

DISTANCE TO WHICH THE POSTAGE CARRIES THE LETTER.

The letter a prefixed to any division shows that

the postage there entered does not carry the letter from the place where it is posted in the United Kingdom entirely free to its place of destination, but that it is liable to an *additional* charge upon delivery.

LETTERS FOR NON-COMMISSIONED OFFICERS, SOLDIERS, AND SEAMEN IN HER MAJESTY'S SERVICE.

Subject to the subjoined regulations, non-commissioned officers, bandmasters, army school-

masters not being superintending schoolmasters or schoolmasters of the 1st class, private soldiers, or seamen belonging to Her Majesty's ships, whether serving on sea or land, and whether in a British possession or foreign country, as also enrolled pensioners in Canada, can send and receive letters by packet or man-of-war, for a postage of 1d.; but if any such letters have to pass through a foreign country, they are subject, in addition, to the foreign postage, whatever that may be. Thus, the postage to the under-mentioned countries (including the British charge of one penny) is as follows:

To or from—	s. d.
China, Ceylon, Mauritius, India, Japan, or Australia, <i>via Marseilles</i>	0 5
Malta, <i>via Marseilles</i> (if not above $\frac{1}{2}$ oz.)	0 4

Vancouver's Island, British Columbia, or any other place in the North Pacific, <i>via New York</i>	0 2
Canada, <i>via United States</i>	0 2

1. The person claiming the privilege must at the time be actually employed in the service of Her Majesty, and must not be either a commissioned officer or warrant officer, viz. assistant engineer, gunner, boatswain, or carpenter, the privilege not extending to these officers.
2. If the letter be posted within the United Kingdom, the penny must be prepaid, as must any foreign postage that may be chargeable; and if sent by a private ship, the gratuity of one penny to the captain must also be prepaid. If posted abroad, prepayment is not compulsory; but if the letter be sent unpaid, it is on delivery charged twopence, together with any foreign postage or gratuity to a sea captain that may be due.
3. The letter must not weigh more than half an ounce.
4. It must relate entirely to the private concerns of the soldier or seaman.
5. The name of the soldier or seaman, with his class or description, must appear in the direction, and the officer having the command must sign his name, and specify the ship, or regiment, corps, or detachment to which the soldier or seaman belongs; the name of the ship or

regiment being entered in full. The foregoing particulars must be given in one of the following forms:

 Regt. _____

To A. B.,

Private (or Sergeant, Corporal, etc.) — Regt. _____
(Here the direction to be finished.)

If the letter be posted in the United Kingdom for a place abroad, unpaid or insufficiently paid, it will (if not exceeding half an ounce in weight) be detained and returned to the writer for payment of the postage; but if it exceed half an ounce, or if any other of the foregoing regulations be not complied with, it will be forwarded charged the same postage as a letter addressed to a commissioned officer.

OFFICERS' LETTERS.

Letters addressed to or sent by a commissioned officer (in the Navy or the Royal Marines), or a warrant officer, when employed on board any of Her Majesty's ships, or when temporarily removed from such ships for land service on a colonial or foreign station, are subject to a uniform British rate of 6d. per half-ounce each; but if any such letters have to pass through a *foreign country*, they are subject to a *foreign postage*, in addition to the British rate of 6d. Thus the postage to the under-mentioned countries (including the British charge of 6d.) is as follows:

	Not exceeding $\frac{1}{2}$ oz.	Above $\frac{1}{2}$ oz. but not exceeding $\frac{1}{2}$ oz.	Above $\frac{1}{2}$ oz. but not exceeding $\frac{3}{4}$ oz.	Above $\frac{3}{4}$ oz. but not exceeding 1 oz.	Above 1 oz. but not exceeding $1\frac{1}{2}$ oz.

For heavier letters, see next page.

To secure this privilege, letters from an officer in the Navy must be sent in the bag made up on board his ship. No stamps but British can be used for the prepayment of such letters. The superscription of a letter addressed to an officer in the Army must specify the rank and regiment, corps, or detachment in which the officer to whom the letter is addressed is serving, or the department to which he belongs; and a letter sent by an officer in the Army must have the signature of such officer superscribed thereon,

together with the signature of the commanding officer of the regiment, etc., or the signature of the head of the department to which such officer belongs; and the name of the regiment, corps, detachment, or department, must be subscribed on the letter by the commanding officer or head of department. Unpaid letters sent to or by an officer on board a ship on a colonial station are charged 6d. each on delivery, in addition to the foregoing rates.

Letters for officers and seamen on board Her Majesty's ships stationed at a foreign port should not be addressed to the care of the British Consul at that port, or to any agent on shore, as the privilege enjoyed by officers and seamen, of receiving their letters through the post at reduced rates of postage, is confined to such letters as are addressed directly to them. All letters directed to the care of any other person are liable to the ordinary rate of postage; and in those cases where prepayment is necessary, they will be detained if such ordinary rate be not prepaid. The same rule applicable for military officers and private soldiers.

LETTERS WEIGHING MORE THAN ONE OUNCE.

The postage of a letter above the weight of an ounce increases as follows:

When the amount in column E of the Table of Colonial and Foreign Postage is found to be *three times* as much as in column A, as in the case of the Cape of Good Hope, the amount in column A is to be reckoned per *half-ounce*.

When the amount in column E is found to be *four times* as much as in column A, as in the case of Australia, the amount in column C, after the first *ounce*, is to be reckoned per *ounce*.

When the amount in column E is found to be *five times* as much as in column A, as in the case of France, the amount in column A is to be reckoned throughout per *quarter of an ounce*.

In all other cases, sixpence of the sum found in column A is to be reckoned throughout per quarter of an ounce, and the remainder, in addition, for every half-ounce.

ROUTES.

Except in the under-mentioned cases, letters not specially directed by a particular route are forwarded by the route immediately following the name of the place in the Table of Colonial and Foreign Postage:

Exceptions.—I. Letters for Aden, Alexandria, Borneo, Cairo, Ceylon, China, India, Japan, Java, Labuan, Penang, Philippine Islands, Singapore, and Suez, are sent by the first mail despatched by British packet either *via* Marseilles or *via* Southampton, according to the route indicated by the postage; letters for New South Wales and Malta are sent by the first mail despatched, if the prepayment does not indicate that they are to be sent by another route.

II. Letters for Canada posted after the despatch of the mail *via* the United States on Saturday are forwarded by Canadian mail packet on Thursday, unless prepaid at the higher rate.

III. Letters for the Argentine Confederation, Brazil, Buenos Ayres, Cape de Verdes, Cuba, Guadeloupe, Martinique, Mexico, and Monte Video, are, provided the prepayment be sufficient, sent in the mail *via* France, if that be the first mail despatched after the time of posting.

IV. Letters for Austria, Baden, Bavaria, and Wurtemberg, if insufficiently paid for transmission *via* France, but sufficiently paid to be sent *via* Belgium, are forwarded by the latter route.

PRUSSIA AND THE GERMAN POSTAL UNION GENERALLY.

According to the regulations of the German Postal Union, no letter exceeding 50 grammes (a little more than $1\frac{1}{2}$ oz.) in weight, and containing any other enclosure than paper, can be allowed to circulate by the post. Any letters, therefore, forwarded in the mail to Prussia above that weight, and containing any other enclosure than paper, will be liable, on their arrival at the Prussian frontier, to be stopped, and sent to the Custom House for delivery as *freight*.

TRANSMISSION OF JEWELLERY, ETC. TO SPAIN, TURKEY, AND COSTA RICA.

The laws of Spain forbid the transmission by the post within that country of letters or other packets containing watches, jewellery, or other articles of value, which are liable to Customs duties. Any such packets, therefore, which may be forwarded in the mails to Spain will not be delivered, but will be sent back from the frontier. A similar prohibition, on pain of forfeiture, is placed upon the transmission of diamonds and other jewels to the Turkish Empire, and of money and jewellery to the Republic of Costa Rica.

REGISTRATION OF LETTERS, ETC.

The fee chargeable for registering a letter, in addition to the ordinary postage, *both of which must be prepaid, or the letter cannot be registered*, will be found against each country or place in the Table of Colonial and Foreign Postage. Letters, newspapers, books, and patterns may be registered to any place in the British Colonies, the United States of America, Switzerland (*via* Belgium), Italy, or the German States; but to other Foreign Countries only letters, and packets prepaid at the letter rates, can be registered. To some countries, as shown in the Table of Colonial and Foreign Postage, there is no arrangement whatever for registration.

Where the prefix '*in*' is made use of in the column of fees in the Table of Colonial and Foreign Postage, the letter can be registered only to the port of arrival; it being left in those cases to the postal authorities of the country to which that port belongs to continue the registration if they think proper. Where the word '*none*' appears, no registration can be effected.

France and Countries through France.—The registration fee upon letters addressed to France or countries through France (*exclusive of those sent in the closed mails to India, Hong Kong, Ceylon, Mauritius, Australia, Gibraltar, via France, Malta, Constantinople, Austria, Portugal, Spain, or Italy, except the Papal States*) is not a fixed sum, but is in all cases equal to the postage.

LETTERS BY PRIVATE SHIPS.

Letters intended to be sent by private ship must be addressed '*By Private Ship*;' and if by a particular vessel, the name of the ship must be added. The postage of a letter by a private ship to Belgium, Belize, and the British West Indies, is 3d. not exceeding $\frac{1}{2}$ oz., and 3d. is charged in the case of heavy letters for every additional $\frac{1}{2}$ oz.; to the Cape of Good Hope, Natal, St Helena, and Ascension, the postage is 4d. not exceeding $\frac{1}{2}$ oz., and 4d. is charged for every additional $\frac{1}{2}$ oz.; to France, 4d. is charged for every $\frac{1}{4}$ oz.; to Holland and Nor-

way, every $\frac{1}{2}$ oz. 8d., 1s. 4d. not exceeding 1 oz., 2s. 8d. not exceeding 2 oz., and 1s. 4d. for every additional ounce; in all other cases, the single rate is 6d., and the postage for heavy letters progresses in the same manner as the postage of letters sent by mail packets. Letters may be sent unpaid to the following places, viz.: Azores, Belgium, Belize, British West Indies, Canada, Cape de Verds, Cape of Good Hope, Ceylon, Falkland Islands, France and Algeria, Gold Coast, Holland, Hong Kong, India, Madeira, Mauritius, Natal, New Brunswick, Newfoundland, Nova Scotia, Portugal, Prince Edward Island, St Helena, Sierra Leone, and the United States; those for the Azores, Cape de Verds, Madeira, and Portugal being chargeable on delivery with 8d. per $\frac{1}{2}$ oz.; those for France and Algeria, 8d. per $\frac{1}{2}$ oz.; those for Norway, 10d. per $\frac{1}{2}$ oz.; those for the United States, 2d. each in addition to the postage; and those for the other places (except Holland, which are not chargeable with any addition), one extra rate each; but to all other places prepayment is compulsory. Unpaid letters inward are charged in the same manner as unpaid letters outward.

Newspapers by private ships to the Azores, Cape de Verds, Madeira, and Portugal, are charged 2d. each; in all other cases they are charged 1d. each.

HOT CLIMATES.

The practice of sealing letters passing to and from the *East and West Indies*, and other countries with hot climates, with wax (except such as is specially prepared), is attended with much inconvenience, and frequently with serious injury, not only to the letters so sealed, but to the other letters in the mail, from the melting of the wax and adhesion of the letters to each other. The public are therefore recommended in all such cases to use either wafers or gum, and to advise their correspondents in the countries referred to to do the same.

Letters for the Canary Islands,

PREPAYMENT, ETC.

Letters addressed to places abroad may be prepaid in this country either in money or stamps, but such payment must be wholly in stamps or wholly in money. Newspapers, book packets, and patterns must always be prepaid, and this by stamps.

With certain exceptions, the only admitted evidence of the prepayment of a letter, *inwards*, is the mark agreed upon with the particular foreign country or colony.

Naval officers, marines, and seamen serving abroad, are allowed to prepay such of their letters as are conveyed in their ship's bag with English postage stamps.

When prepayment is *optional*, any outward letter (that is, a letter posted within the United Kingdom, and addressed to some place out of it) posted with an insufficient number of stamps, is charged on delivery with the deficient postage in addition; unless the letter have to go to the United States, or to a country through France, in which case it is treated as wholly unpaid, the postal arrangements with these countries not allowing the recognition of partial prepayment. When, however, prepayment of the whole postage is *compulsory*, a letter or aught else posted with an insufficient number of stamps is sent (by the first post) to the Returned Letter Office.

Letters to or from Australia and New Zealand, posted wholly unpaid or paid less than one rate, are detained and returned to the writers for postage; but those on which one rate, although not the whole postage, has been paid by stamps, are (except in the case of Tasmania) forwarded charged with the deficient postage, and an additional rate as a fine. Letters for Tasmania *must be fully prepaid*.

Letters posted unpaid (wholly or in part), addressed to the under-mentioned places, are on delivery charged 6d. each in addition to the ordinary postage:—

Alexandria, <i>viâ</i> Southampton.	Canada. Cape Coast Castle. Falkland Islands. Gambia.	Gibraltar. Gold Coast. Italy. Malta.	Mauritius. New Brunswick. Newfoundland. Nova Scotia.	Prince Edward Island. Sierra Leone. Suez, <i>viâ</i> Southampton.
-------------------------------------	---	---	---	---

Letters posted unpaid (wholly or in part), addressed to the under-mentioned places, are charged 1s. each in addition to the ordinary postage:—

British West Indies.	Hong Kong.	Natal.	St Croix.	St Thomas.
Cape of Good Hope.	Labuan.	Penang.	St Helena.	Singapore.
China.				

Letters for Ceylon and India are charged 9d. each additional; and those sent to the following German States *viâ* Belgium are charged with a postage of 8d. per half-ounce, viz.:—

Austria.	Hanover.	Lubeck.	Saxe Coburg Gotha.	Schleswig-Holstein.

Brunswick.	Hesse Homburg.	Oldenburg.		Wurtemberg.
Frankfort.	Hohenzollern.	Prussia.		
Hamburg.	Lippe Detmold.	Reuss.		

Majorca, Minorca, and Spain insufficiently prepaid, are, provided one rate at least be paid, charged with double the deficiency, and those for Algeria, France, or Austria insufficiently prepaid are charged at the unpaid rate less the value of the stamps affixed.

Those for Alexandria, Cairo, and Suez, sent *viâ* Marseilles by British packet, and those for the following places sent by French packet, are charged with a postage of 9d. per $\frac{1}{2}$ oz.:—

Alexandria.	Galatz.	Latakia.	Salonica.	Tripoli in Syria.
Alexandretta.	Gallipoli.	Mersina.	Samsoun.	Trebizond.

Letters posted unpaid (wholly or in part) for Belgium, or Holland *via* Belgium, are charged 3d. each in addition to the ordinary postage; those sent to Holland *via* France are charged 8d. per $\frac{1}{4}$ oz., and those for the United States an additional postage of 5 cents each.

The same rates are chargeable in this country upon letters posted unpaid wholly or in part from the above places, except from Alexandria, Cairo, and Suez, *via* Southampton, China, and Holland *via* France, which are charged the prepaid rate only, and from the United States, which are charged an additional rate of 6d. each.

LETTERS FOR PASSENGERS ON BOARD MAIL PACKETS.

Letters for passengers on board the Cunard and Inman packets for America touching at Queenstown, provided they be addressed to the care of the commander of the packet, and be

registered, may be posted in any part of the United Kingdom up to the time at which ordinary registered letters for America by the same packets are received.

Letters for passengers on board the Mediterranean packets about to sail from Southampton with the mails for India, Australia, China, etc., or on board the Canadian packets touching at Londonderry, may, under similar conditions, be posted up to the same time as ordinary registered letters for India, Australia, etc., or for Canada.

The letters should be addressed thus: 'Mr. _____, on board the mail packet at Queenstown [Londonderry or Southampton]. Care of the Officer in charge of the mails,' 'care of the commander of the packet,' as the case may be.

Letters directed to the care of the Packet Agent at Suez, and despatched by the mail *via* *Marseilles*, which follows the mail *via* Southampton, will probably reach passengers for India, etc., who have sailed in the packet from Southampton.

* The only Post Offices in Western Australia which are authorized to issue Money Orders on the United Kingdom, and to pay Money Orders issued in the United Kingdom on Western Australia, are those at Perth and Albany (King George's Sound); but local arrangements are now in operation in the Colony, by which Orders drawn on Perth in favour of persons residing in the above-mentioned Towns and Districts can be negotiated, and the signature of the payee always obtained on the Orders.

The renewal of a lapsed Order, the issue of a duplicate Order, or the stoppage of payment of an Order issued by a Colony on the United Kingdom, will be made on application to the Controller of the Metropolitan Office of that portion of the United Kingdom in which such *Colonial Order is payable*, provided an additional British Inland Rate of Commission be enclosed with the application; except in the case of lapsed Orders, when the additional commission will be deducted from the amount of the new Order issued by the Department; but the lapsed Order must be transmitted with the application for its renewal. Postmasters in the United Kingdom have power to transfer to other offices in the United Kingdom payment of Colonial Orders originally drawn on their own offices.

For repayment of the amount of a Money Order, or for the correction of any error respecting the name of the Payee or Remitter of an Order issued by a Colony on the United Kingdom, the application on the subject, enclosing an additional Colonial Inland rate of Commission, must be addressed to the Controller of the Metropolitan Office of the Colony in which such *Order was issued*.

Note.—The duty on a Foreign Bill, on and after 3d April 1860, drawn or indorsed out of the United Kingdom for the payment of money on demand, is the same duty as on an Inland Bill of Exchange, for the payment of money otherwise than on demand. (23 Vict. c. 15.) See above.

The word 'indorsed' is held by the Board of

Inland Revenue to have no practicable effect. See *Times*, 20th and 22d April 1860.

Foreign Bill drawn in but payable out of the United Kingdom on demand, although to be indorsed out of the United Kingdom, if not drawn in sets, would be liable to duty of 1d.

[The duties on Foreign Bills, drawn out of the United Kingdom, are to be denoted by adhesive stamps. The holder to affix the adhesive stamp if one not on it before he negotiate it, and cancel the stamp by writing his name or the name of his firm and the date on it. (17 & 18 Vict. c. 83, § 3.) If the Bill or Note be received by the holder with the adhesive stamp effectually obliterated and purported, and appearing to be duly cancelled, the same, as regards such holder, shall be deemed to be so. If not cancelled, the holder may do so, as if he were the person first negotiating the Bill or Note. On his doing so, the Bill or Note shall be duly stamped. The person who ought to have cancelled the stamp not relieved of any penalty incurred by not cancelling the same. (24 & 25 Vict. c. 91, § 83.) The Act 23 Vict. c. 15, § 12, provides that the party paying the bill shall, when he does so, write the word 'paid' upon the stamp. The amount of duty on adhesive stamps is impressed on two parts. The Board of Inland Revenue recommend that the cancellation should be on one of the parts, and the other left legible.]

If a Foreign Bill payable abroad, and as to which the provision 'drawn in sets of three or more' apply, shall be drawn in a single bill, the duty will be the same as on an Inland Bill; and if in a set of two, the duty on each will be the same as on an Inland Bill. This is in accordance with the opinion of the Board of Inland Revenue (see *North British Daily Mail*, 3d November 1854). But the Board have given an opinion that a Foreign Bill drawn abroad and payable in this country in duplicate or triplicate only represents one transaction, and is liable to the duty on one Inland Bill of the same account; that is, if one of the parts have the full duty, the others may be unstamped (see *Times*, 6th November 1854). The schedule of the Act does not provide for such a bill being drawn in sets. Bills bearing to be drawn out of the United Kingdom are to be deemed Foreign Bills so drawn, although they may in reality be drawn in the United Kingdom. (17 & 18 Vict. c. 83, § 4.) A person in the United Kingdom drawing and issuing a bill payable out of the United Kingdom in a set, must draw the whole set; and a person transferring or negotiating such bill must transfer and deliver, stamped, the whole number of the set. Penalty, £100. A person taking such bill must get the whole set stamped, otherwise he cannot recover on it or make it available. (Ib. § 6.) This applies only to bills drawn within and payable out of the United Kingdom. Bills payable on demand, and indorsed out of the United Kingdom, wheresoever drawn, are held to be Foreign Bills, but chargeable with the same duty as Inland Bills not payable on demand. (27 & 28 Vict. c. 56, § 2.)

INLAND BILL, DRAFT, or ORDER, for the payment of any sum of money, though not made payable to the bearer, or to order, if the same shall be delivered to the payee, or some person on his or her behalf, the same duty as on a bill of exchange for the like sum, payable to bearer or order.

INLAND BILL, DRAFT, or ORDER for the payment of any sum of money, weekly, monthly, or at

any other stated periods, if made payable to the bearer, or to order, or if delivered to the payee, or some person on his or her behalf, where the total amount of the money thereby made payable shall be specified therein, or can be ascertained therefrom, or shall be indefinite, the same duty as on a bill payable to bearer or order on demand.

PROMISSORY NOTE for the payment of any sum of money by instalments, or for the payment of several sums of money at different days or times, so that the whole of the money to be paid shall be definite and certain, the same duty as on a promissory note, payable otherwise than to the bearer on demand, for a sum equal to the whole amount of the money to be paid.

By the statutory note under this head it is provided that instruments containing settlements of lands or other property, or other matter or thing, besides the settlement of money or stock, shall be chargeable with duty in respect of such, as if contained in a separate deed. A marriage contract may therefore be liable to a number of different duties.

All settlements of property, or other matters not liable to specific duty, will be covered by one general deed duty, over and above the other duties. An obligation by the husband to pay sums to the trustees for the children, if any, would be liable to the Bond Duty, not Settlement Duty, being contingent.

INVENTORY DUTY.

I. PERSONAL ESTATE:—

Exhibition of the Inventory, and mode of paying the Duty.

All and every person or persons who, as executor or executors, or otherwise, shall enter upon the possession or management, in whole or in part, of any personal or moveable estate in Scotland of any deceased person, shall, within six months thereafter, exhibit upon oath in the Commissary Court an Inventory, duly stamped, of all the personal or moveable estate and effects of the deceased. The Inventory and testamentary writings left by the deceased, if any, shall be recorded in the books of the said Court. (48 Geo. III. c. 149, § 38.)

Inventories and relative testamentary writings are to be given up and recorded in, and confirmations granted by, the Commissary Court of the county wherein the deceased died domiciled; and in the case of persons dying domiciled furth of Scotland, or without any fixed or known domicile, having personal property in Scotland, the Commissary Court of Edinburgh. (21 & 22 Vict. c. 56, § 3 and 8.)

Oaths and Affirmations to Inventories of personal

estates, to be given up and recorded in any Commissary Court, may be taken either before the Commissary or his Depute, or the Commissary-Clerk or his Depute, or before any Commissioner appointed by the Commissary, or before any Magistrate or Justice of the Peace within the United Kingdom or the Colonies, or any British Consul. (21 & 22 Vict. c. 56, § 11.)

If the deceased person died domiciled in Scotland, it shall be competent to include in the Inventory of the personal estate in Scotland, the personal estate in England and Ireland. The estate in England and Ireland shall be separately stated in the Inventory, and the Inventory shall be stamped with a duty corresponding to the entire value of the estate situated within the United Kingdom. If confirmation be required, the domicile must be proved, and the Commissary must find it to be in Scotland. A Confirmation, in which shall be included personal estate in England and Ireland, on being produced in the principal Probate Court in England, and the Court of Probate in Dublin, and a copy thereof deposited with the Registrar, together with a copy of the interlocutor of the Commissary finding that the

deceased died domiciled in Scotland, is to be returned sealed, and is thereafter to have the same force and effect in England and Ireland as if Probate or Letters of Administration had been granted by these Courts. (21 & 22 Vict. c. 56, § 9, 12, and 13.)

The provisions of the Act are merely permissive to pay Inventory Duty on the whole personal estate in Great Britain and Ireland where the deceased died domiciled in Scotland, and the like provisions as to the payment of Probate and Administration Duty where the deceased died domiciled in England and Ireland. It is therefore still competent to pay Inventory Duty on the estate situated in Scotland, and Probate or Administration Duty in respect of the estate in England and Ireland. In the case of a person dying domiciled furth of the United Kingdom having personal estate situated in Scotland, this mode of paying the duty must be followed, as in that case there is no provision for payment of Stamp Duty, in respect of the personal estate in England or Ireland, on the Inventory, or obtaining confirmation in respect thereof.

Additional Inventory—Corrective Inventory.

If there be any omission in the Inventory inferring payment of further duty, an additional Inventory of such is required to be exhibited by 48 Geo. III. c. 149, § 38; and § 40 provides that the same shall also specify the amount or value of the estate and effects of the same person comprised in the former Inventory. By 16 & 17 Vict. c. 59, § 8, such additional Inventory shall be *chargeable only with such amount of Stamp Duty* as, together with the Stamp Duty charged upon the former duly stamped Inventory of the estate and effects of the same deceased person, *shall make up the full amount of Stamp Duty*, in respect of the total amount of all the estate and effects of the deceased specified in the said additional and any such former Inventory. If the estate shall be over-estimated, or if something shall be improperly included in the Inventory, an Inventory on a stamp corresponding to the ascertained value must be exhibited, and the original Inventory will be allowed on affidavit as a spoiled stamp, within six months after the recording of the second Inventory.

Personal Property disposed of by Will under an absolute power liable to Inventory Duty—Indian Government Promissory Notes, etc., Personal Property in England—British Ships at Sea—Property to be valued at the time the Inventory is sworn to, and the Inventory to include the proceeds accrued on the property down to that time.

Personal estate which a person, dying after 3d April 1860, shall have disposed of by will, under any authority enabling such person to dispose of the same as he shall think fit, shall be deemed personal or moveable estate of the person so dying, for the purpose of payment of Inventory, Probate, or Administration Duty. (23 Vict. c. 15, § 4.) The duties shall be charged on the property in respect of which the same are payable, and shall be paid thereon by the trustees or owners thereof, to the executors, for the benefit of the persons entitled to the personal estate of the deceased. (*Id.* § 5.) Indian Government Promissory Notes and

Certificates issued, or Stock created in lieu thereof, being assets of a deceased person, the interest of which shall be payable in London, registered in London, or enfaced in India for the purpose of such registration, before the death of the owners; also Indian Government Promissory Notes with coupons attached, in the same circumstances as to registration, and Certificates issued, or Stock created in lieu thereof, shall be personal estate and *bona notabilia* in England of the deceased (23 Vict. c. 5, § 1): Also any ship, or any share of a ship, belonging to a deceased person, registered at any port in the United Kingdom, notwithstanding such ship at the time of the death may have been at sea, or elsewhere out of the United Kingdom, shall be deemed to have been at the time aforesaid in the port at which she may be registered (27 & 28 Vict. c. 56), and liable to Inventory, Probate, or Administration Duty. 'The Inventory and additional Inventory of any person deceased, required to be exhibited and recorded in the proper Commissary Court in Scotland, shall be stamped with duty according to the value of the property contained therein at the time they shall be respectively sworn to, including the proceeds accrued thereon down to that time; and the duty, or deficient duty, according to such value and proceeds, and interest thereon at the rate of five per centum per annum, shall be a debt to Her Majesty by the person making oath to said Inventory and additional Inventory, and his heirs and successors; and if such Inventory and additional Inventory shall not be exhibited and recorded, the Inventory Duty on all the personal or moveable estate and effects of the deceased, and interest thereon at the rate of five per centum per annum from the expiry of the period of six months after the death of such deceased person, shall be payable and shall be a debt to Her Majesty by the person who shall intromit with or enter upon the possession and management of such personal or moveable estate and effects, or any part thereof, and his heirs and successors.' (23 & 24 Vict. c. 80, § 5.)

II. HERITABLE SECURITIES.

The Act 31 & 32 Vict. c. 101, § 117, makes heritable securities moveable as regards succession in the creditors, from and after the commencement of the Act 31st December 1868, and this whether the security shall have been granted before or after that date. These securities, therefore, will, after the above date, be liable to Inventory Duty the same as other moveable property, and should be included in the Inventory of the personal estate. Such securities will still be money secured on heritage; and in so far as they may not come under the statutory provisions applicable to personal property, the Acts 23 Vict. c. 15, and 23 & 24 Vict. c. 80, will apply to them. The mode of payment of duty by special Inventory, as provided in 23 & 24 Vict. c. 80, will not be competent, in so far as they are moveable property, and come under the statutes applicable to personal property. The Act 23 & 24 Vict. c. 80 will still apply to heritable securities, excluding executors, which are by the above section of 31 & 32 Vict. c. 181, to remain heritable, and also to personal bonds, excluding executors.

III. GENERAL OBSERVATIONS.

Modes in which Duty may be paid when deceased domiciled in Scotland, and personal property in Scotland, England, and Ireland, and heritable securities excluding executors, and personal bonds excluding executors.

In the case of a person dying domiciled in Scotland having personal property in Scotland, England, and Ireland, and heritable securities excluding executors, and personal bonds excluding executors:—I. Duty in respect of the whole may be paid on the Inventory required to be recorded in the Commissary Court; II. Or Inventory Duty may be paid on the personal property situated in Scotland, including heritable securities made moveable by the Act 31 & 32 Vict. c. 101, § 117, and Duty may be paid on a 'Special Inventory' of the heritable securities excluding executors, and personal bonds excluding executors, and probate or administration may be obtained in England and Ireland in respect of the personal estate in

these countries, and duty paid in respect of such on these several instruments.

Mode in which Duty may be paid when deceased domiciled furth of the United Kingdom.

In the case of a person dying domiciled furth of the United Kingdom leaving personal estate in Scotland, England, and Ireland, an Inventory must be given up in Scotland, probate or administration taken out in England and Ireland, and duty paid on such in respect of the property in each country.

For Probate and Administration Duty, debts and sums of money due from persons in the United Kingdom to a deceased, on obligation or other specialty, shall be estate and effects of deceased within the jurisdiction of Her Majesty's Court of Probate in England or Ireland in which the same would be if they were debts upon simple contract, without regard to the place where the obligation or specialty shall be at the time of the death. (25 Vict. c. 22, § 39.)

Exemptions.—Inventory of the estate of any common seaman or soldier dying in service.

Additional Inventory where the duty on the whole estate does not exceed that already paid on the former Inventory.

Note.—Forms of Inventory and Additional Inventory will be found in the *Juridical Styles*, vol. III. Appx. pp. 8 and 11. Forms will also be obtained at the office of the Solicitor of Inland Revenue, Edinburgh.

RENTS.—*Landed Property.*—If the deceased survive Whitsunday, one moiety of the rents of the crop of that year is personal estate. If he survive Martinmas, the whole rents of that crop fall into the executry. Where the deceased is a liferenter or heir of entail, and the rents are payable under instruments dated subsequent to 16th June 1834, a proportion corresponding to the period from the preceding term to the date of death is also personal (4 Will. IV. c. 22). *House Property.*—The term's rents current at the death are personal. The Apportionment Act would appear not to apply to the rents of property held by the deceased in fee-simple. See *Baillie v. Lockhart*, House of Lords, 23d April 1855.

Stocks and Debts of Foreign Governments and Companies.—Documents of the debts of Foreign Governments and Foreign Companies which pass from hand to hand are property where the documents may be. Debentures or bonds by Foreign Companies and Governments, and the title to Stocks of Foreign Companies and Governments in the possession of a party dying in Scotland, if they can be sold in the market, and the right of the purchaser completed to them in this country, are property situated in this country and liable to Inventory Duty. RETURN OF INVENTORY DUTY.

The inventory duty and probate and administration duty are paid on the whole personal property, without deduction of debts; but the Act 5 & 6 Vict. c. 79, § 23, provides for a return being given on proof of the constitution and payment of the debts. This return must be claimed within three years; but the time

will be prolonged on application to the Board of Inland Revenue. No return shall be given in respect of any voluntary debt due from any person dying after 28th June 1861, expressed to be payable on the death of such person, or payable under any instrument which shall not have been *bona fide* delivered to the donee three months before the death of such person. (24 & 25 Vict. c. 92, § 3.)

LEGACY DUTY.

<i>On Legacies, Residues, etc.</i>	<i>Duty per cent.</i>
To children or their descendants, or lineal ancestors, . . .	£1 0 0
Brother or sister, or descendant, . . .	3 0 0
Uncle or aunt, or their descendants, . . .	5 0 0
Grand uncle or aunt, or their descendants, . . .	6 0 0
All other relations or strangers, . . .	10 0 0

The husband or wife of the deceased is not chargeable with duty. If the legatee's husband or wife is of nearer consanguinity than the legatee, duty is payable according to such nearer relationship. (16 & 17 Vict. c. 51, § 11.)

This duty is payable for every legacy out of the personal or moveable estate, or out of or charged upon the real or heritable estate of the deceased, or out of any moneys to arise by the sale, mortgage, or other disposition of the deceased's real or heritable estate, or any part thereof: Also for the clear residue (after deducting debts, funeral expenses, legacies, and other charges first payable thereout) of the personal or moveable estate, whether the title to such residue shall accrue by virtue of any testamentary disposition, or upon a partial or total intestacy: And also for the clear residue of the moneys to arise from the sale, mortgage, or other disposition of any real or heritable estate, directed to be sold, mortgaged, or otherwise disposed of by any will or testamentary instrument. (55 Geo. III. c. 184, sch. part iii.)

Annuities commencing to be payable on the death of persons dying after 19th May 1853 are valued for legacy duty according to tables annexed to the Succession Duty Act (16 & 17 Vict. c. 51); and Annuities commencing to be payable previous to that date, by the tables annexed to the Legacy Duty Act (36 Geo. III. c. 52).

Duty is not exigible on legacies or residues under £20; but if a legatee take two or more legacies under any testament, which shall together be of the amount of £20, each shall be charged with duty, though each or either may be separately under that amount. Duty on legacies and residues in arrears—interest thereon at 4 per cent.—is payable. (31 & 32 Vict. c. 124, § 9.)

N.B.—Printed forms and regulations regarding all the succession duties will be obtained gratis, on application at the Inland Revenue Office, Edinburgh; and at the offices of the Distributors of Stamps in the country. Practical directions as to the settlement of the Legacy Duty will be found in *Juridical Styles*, vol. II. Appx. p. 27.

SUCCESSION DUTY.—The duty commences on the

death of persons dying after the 19th May 1853; (16 & 17 Vict. c. 51, § 2 and 54), and seems to be imposed on all property, both heritable and moveable, passing by death, not liable to the duty on legacies and successions to personal estate upon intestacy—the duty imposed by the Legacy Duty Acts. The duty on *heritable property* is charged on the annual value, after allowance of the necessary outgoings (§ 22), as an annuity for the life of the successor (§ 21), which is to be valued by tables annexed to the Act.

Personal property is liable to duty according to the value of the succession; and money charged on heritage—heritable securities—is chargeable as personalty (§ 1).

The property chargeable with duty is called 'Succession' (§ 1), and 'Successor' denotes the person entitled to it, and 'Predecessor' the person from whom the interest of the successor is derived (§ 2).

Rates of Succession Duty.

Lineal issue, or lineal ancestor of the predecessor, £1 per cent.

Brothers and sisters of the predecessor, and their descendants, £3 per cent.

Brothers and sisters of the father or mother of the predecessor and their descendants, £5 per cent.

Brothers and sisters of the grandfather or grandmother of the predecessor and their descendants, £6 per cent.

Any other person, £10 per cent.

The husband or wife of the predecessor is not chargeable with duty (§ 18); and if the successor's husband or wife shall be of nearer consanguinity than the successor, duty is payable according to such nearer relationship (§ 11).

The following are also *exemptions* from the succession duty:—

1. Successions from the same predecessor, passing on any death, not amounting in principal value to £100 (§ 18).
2. Any succession of less value than £20 in the whole (*ib.*).
3. Legacies and personal property charged with legacy duty, in respect of the same acquisition (*ib.*). Duty on successions in arrears—interest thereon at the rate of 4 per cent.—is payable. (31 & 32 Vict. c. 124, § 9.)

Note.—The collection of the succession duty forms a branch of the business of the Legacy Duty Department of the Inland Revenue. Forms of the accounts may be obtained at the Legacy Duty Office, Edinburgh; and at the offices of the Distributors of Stamps in the country. Practical directions as to the settlement of the Succession Duty will be found in *Juridical Styles*, vol. II. p. 38.

DISCOUNT ON THE PURCHASE OF STAMPS.

Purchasers of stamps (except receipt, labels for medicines, newspapers, and postage stamps) at London, Edinburgh, or Dublin, under the value of £10 each, but to the value of £30 or upwards in whole, are allowed discount at the rate of 30s. per cent. (12 & 13 Vict. c. 80.) The like discount is allowed to any person lodging at Edinburgh, paper or forms containing printed matter only, to be impressed with stamp duties under the value of £10 each, but to the value of £30 or upwards in whole.

To persons who at one time shall produce at the office of Inland Revenue in London, Edinburgh, or Dublin, paper to be stamped with, or shall purchase at the office in London, Edinburgh, or Dublin, stamps to the amount of £2 or upwards, or of any distributor or sub-dis-

tributor of stamps at any place not within the distance of ten miles from the said offices respectively, stamps to the amount of £1 or upwards, denoting any rate of duty not exceeding 1s. on *Bills of Exchange, Drafts or Orders*, or *Promissory Notes, or Stamps*, for denoting the duty of one penny on any instrument or document whatever (except postage stamps and customs stamps), an allowance shall be made of tenpence for every 20s. of the amount of the duties denoted by such stamps. (23 & 24 Vict. c. 111, § 3.) Any person selling such stamps shall not make any charge for the paper whereon the same are impressed. Penalty for doing so, or demanding or receiving a greater price or sum than the amount of the stamp duty, £10. (*ib.* § 25.)

REGULATIONS AS TO EXCHANGING SPOILED STAMPS.

The Solicitor's Office, No. 5 in the Inland Revenue Office, is open for the allowance of spoiled stamps every Tuesday and Thursday, from 12 noon to 2 P.M. The distributors of stamps at the following places also receive spoiled stamps for allowance:—Aberdeen, Ayr, Banff, Cupar-Fife, Dumfries, Dundee, Elgin, Forfar, Glasgow, Greenock, Inverness, Peebles, Perth, Stirling, and Tain.

A supply of forms of affidavits is kept by the Solicitor and the above distributors, and claimants may attend at the Solicitor's Office, and have the affidavits filled up and taken; or they may get copies of the forms, and take the oath before a justice of the peace, and afterwards lodge the affidavits and the stamps with any of the above officers. If the claim be admitted, a ticket is issued, stating that application is to be made for the new stamps after Monday se'enight, and within six weeks from the date of the ticket; if not made within that time, the claim will be forfeited.

The stamps, if belonging to parties resident in Edinburgh, or within ten miles thereof, must be presented for allowance within six months after being signed in the case of executed instruments, and six months after being spoiled in the case of unexecuted instruments; if the stamps belong to persons beyond that distance, six months in the former, and twelve months in the latter case.

Bills and notes delivered to payees, or negotiated or issued in any way, and bills accepted or tendered for acceptance, cannot be exchanged unless a new bill be produced, in all respects the same excepting the correction of the error. As to the exchange of sea policies of insurance, see 30 Vict. c. 23, § 17. The cases for allowance are—

1. Where policy shall be inadvertently filled up in an incorrect or improper manner;

2. Or be obliterated or otherwise spoiled and rendered unfit for use;

3. Or shall be filled up for some insurance which shall not be proceeded in, and the same shall not be signed by any underwriter, but in no other case.

Application must be made within six months after the policy shall be spoiled or become useless.

Unsigned instruments are allowed if inadvertently spoiled. Signed, if void in law from the beginning; from error or mistake, unfit for the purpose originally intended; from death, or refusal to sign, of any person whose signature is necessary; from the want of the signature of some material and necessary party; from refusal to act under, or from non-acceptance—they shall be unfit for, or fail of the purpose intended; or if the transaction be carried through by another instrument duly stamped. (See 53 Geo. III. c. 108.) In the case of transfers of stock signed by the seller alone, and other instruments if by one party, new deeds require to be produced to the proper officer of stamps, who, as to transfers, is instructed to certify in what particulars they differ from those spoiled.

Stamps of a different description may be obtained for any stamp spoiled if it be of the value of £6 or upwards. Application for this purpose to the Commissioners of Inland Revenue should be lodged with the affidavit. The Commissioners, by 3 & 4 Will. IV. c. 97, § 19, may, if in their discretion they think fit, refund, in money, the amount of spoiled stamps. They are also authorized to repay the amount of stamps for which the possessor has no immediate use, if applied for within three months after being purchased. In both cases is deducted the percentage allowed by law on the purchase of stamps.

STAMPING DEEDS AFTER BEING SIGNED.

Beyond Twelve Months.—The duty or deficiency of duty shall be due and payable to Her Majesty, and also the penalty of £10. The deed will only be stamped on payment of the whole or (as the case may be) the deficiency of the stamp duty remaining payable on it, and over and above such duty a penalty of £10; and if the whole amount of said duty or deficiency shall exceed £10, then, in addition to said duty and penalty, there shall be paid, by way of additional penalty, interest on the duty or deficiency at the rate of five per cent. from the date or first signing of the deed; but such interest shall not exceed the amount of the said duty or deficiency of duty.

Within Twelve Months.—If the deed shall be brought to the Commissioners of Inland Revenue within twelve months after the first signing or executing, in order to be stamped, it may be stamped without payment of the penalty, or on payment only of a portion thereof, provided it shall be proved to the satisfaction of the Commissioners that the deed was not duly stamped previously to being signed, by reason of accident, mistake, inadvertency, or urgent necessity, and without any wilful design to evade or delay the payment of duty. (13 & 14 Vict. c. 97, § 12.)

Abroad.—If the deed shall be executed by any party abroad, it may be stamped without any

penalty, if brought to be so within two calendar months from the time of being received in the kingdom, upon proof of the facts to the satisfaction of the Commissioners. (13 & 14 Vict. c. 97, § 13.)

Adhesive Stamps.—Where adhesive stamps may be affixed to any instrument, an officer of Inland Revenue, authorized by the Commissioners, may, on the instrument being produced to him, affix and cancel the adhesive stamp. The instrument shall thereupon be deemed sufficiently stamped. But this not to apply to instruments not allowed to be stamped after being made, signed, or issued, nor to instruments after the expiration of the period limited for stamping them. The penalty required to be paid on stamping of the instrument is not affected by this provision. (24 & 25 Vict. c. 91, § 32.)

N.B.—The following notice, dated 17th April 1868, has been issued, as to receiving and stamping instruments and forms at Edinburgh:—

Instruments and Forms will be stamped at No. 10 Waterloo Place, Edinburgh, subject to the following conditions:—

INSTRUMENTS.

Instruments (other than agreements liable

to a duty of 6d., and charter-parties*) which may be lawfully stamped, will, if presented within two months after the first date, be received on any lawful day, except Saturday, between the hours of 10 A.M. and 2 P.M.; and on Saturday, between the hours of 10 a.m. and 12 noon.

Instruments lodged on Friday before 2 P.M., or on Saturday before 12 noon, will be delivered to the person or persons presenting the relative ticket or tickets on the following Monday, or on the first lawful day thereafter, between the hours of 1 and 2 P.M. If lodged on Monday, Tuesday, Wednesday, or Thursday, instruments will be delivered out, on presentation of the relative tickets, between 1 and 2 P.M. on the day immediately following that on which they were lodged, or on the first lawful day thereafter, except Saturday. Each instrument must be called for on the day and at the time indicated in the ticket issued when the instrument was lodged; and the ticket must be produced when the instrument is called for.

Agreements liable to a duty of 6d. will be received within fourteen days after date, and stamped and delivered out as above indicated.

Charter-parties will be received within seven days after date, on payment of a duty of 6d. and 4s. 6d.; after seven days and within one calendar month after date and first signing, on payment of the duty and £10.

* As to stamping agreements and charter-parties, see notes under these heads.

FORMS (DRAFTS, RECEIPTS, ETC.)

Will be received on every lawful day, between the hours of 10 and 11 A.M., and will be delivered out between 10 and 11 A.M. on a day which will be indicated in the respective tickets delivered to the persons lodging such forms, or in printed notices to be thereafter addressed to them.

It will materially conduce to the despatch of business if the forms to be stamped shall be made up in packets not exceeding 10,000 or thereby.

In ordinary cases, and in the absence of any undue pressure, forms will be delivered out within forty-eight hours after they shall have been lodged.

Schedules for the use of persons lodging instruments or forms will be supplied at the office.

The duties to be impressed on instruments or forms must be paid to the cashier, No. 3 Lobby, before the goods are lodged.

Of the goods lodged, due care will be taken; but it must be understood that the risk is with the owners and not with the office.

If an opinion shall be required as to the duty payable in respect of any deed or instrument, application for an adjudication schedule must be made at the Solicitor's Office, No. 5.

DOUBTS AS TO THE SUFFICIENCY OF STAMPS MAY BE REMOVED.

The opinion of the Commissioners of Inland Revenue as to the duty to which a deed, whether previously stamped or otherwise, is chargeable, may be obtained on the deed being presented at their office (Edinburgh), and a fee of 10s. paid. The duty or insufficient duty which the Commissioners may assess, and the penalty, if any, being paid, they shall stamp the deed with the duty so paid; and thereupon, and also in the case of the deed being previously sufficiently stamped, shall also impress the deed with a particular stamp to be provided for the purpose. The deed shall then be received in evidence, notwithstanding any objection to it as insufficiently stamped. The provision does not apply to bonds or mortgages for unlimited amounts, nor to instruments after being signed, prohibited from being stamped. On the stamp duties assessed being paid, and 40s. for costs being deposited, the opinion of the Commissioners may be appealed against to the Court of Exchequer in Scotland, if the deed has been presented for the opinion of the Commissioners at their office in Edinburgh; to the Court of Exchequer at Westminster, if the deed has been presented at London; to the Court of Exchequer in Ireland, if the deed has been presented in Dublin. (13 & 14 Vict. c. 97, § 14

& 15; 28 & 29 Vict. c. 96, § 22.) The Commissioners may also adjudge on deeds not liable to any Stamp duty; and if any duty is assessed, the party may appeal. (16 & 17 Vict. c. 59, § 13.)

N.B.—Instruments are received for adjudication at the Solicitor's Office, Inland Revenue, Edinburgh, on the same conditions as to duty and penalty as instruments to be stamped merely (see above). The mode of proceeding is as follows:—The sum of *ten shillings* for the adjudication stamp is first to be paid to the Cashier, No. 3 Lobby. Then the schedule (the duty to be impressed of course not being inserted in the schedule), the instrument after execution, and an abstract (written on foolscap paper) of it giving the substance of the clauses and provisions, particularly dates and sums, and a reference to the page on which each commences), are to be left at the Solicitor's Office, No. 5, on Mondays and Wednesdays, between 10 and 12 o'clock *only*. Between 10 and 12 o'clock on the Thursday following, a party who can give explanation must call on the Assistant-Solicitor, No. 6; and he should be prepared to pay the proper duty, and penalty if any, to the Cashier, No. 3 Lobby.

DUPLICATES OR COUNTERPARTS.

Duplicates or counterparts of instruments requiring to be impressed with the denoting stamp to render them valid, may be lodged at the Solicitor's Office, No. 5 Inland Revenue, Edinburgh, between 10 and 12 o'clock on Mondays and Wednesdays only. The principal instrument, as well as the duplicate, must be

lodged, and both must appear to be properly stamped.

Mem.—The revenue takes no risk of loss or injury connected with the custody or carriage of the instruments received and transmitted to be stamped.

The driver shall draw up to either side of the pavement when called; and if detained more than five minutes before starting, he shall be entitled to 6d. for waiting.

It shall be in the option of the hirer to employ a carriage within the municipal bounds by time, for SHOPPING, MAKING CALLS, and the like, where the driving is not continuous. The charge in such cases shall be 1s. for the first half-hour, and 6d. for every additional quarter of an hour.

2 T

For an AIRING into the country within seven miles from the Cross of Edinburgh, and returning either by the same or a different road, the rate shall be 6d. for every ten minutes, or 3s. per hour. A drive round the Queen's Drive shall be considered an airing. Unless the hirer wishes a slower pace, the rate of driving when out an airing shall be at least six miles an hour; and in the event of the driving being at a slower pace than six miles an hour, contrary to the wish of the hirer, it shall be optional for the hirer to pay the fare in the proportion of 3s. for every six miles so travelled.

WHETHER THE FARES ARE BY DISTANCE OR BY TIME.

1. The hirer pays tolls.

2. If there be more than four grown-up persons driven, a charge of 6d. extra shall be made for each additional grown-up person, or for each two children above six years of age, and under twelve. No additional charge for one child above six to twelve, or children under six years.

3. From twelve at night till seven morning—double fare.

4. The above fares are for one-horse carriages, and there shall be no additional charge when two horses are used.

5. Owners or drivers may agree to drive at lower fares than those fixed. In that case, should they demand more than the fare agreed on, they shall be liable as for an overcharge.

LUGGAGE.

For luggage exceeding 100 lbs. in weight there shall be a charge of 6d. extra. But there shall be no charge for luggage under that weight. The driver shall assist in loading and unloading in all cases when required.

FARES MAY BE WITHHELD.

Any party shall be entitled to withhold payment of the fare—

1. When the name and number are not painted outside, or when there is no plate inside, in terms of Article Third of these bye-laws.
2. When the reference ticket is not given.
3. When the bye-laws, table of fares, and driver's licence are not shown on demand.
4. When an overcharge is made.
5. When the driver fails or refuses to complete an engagement.

REDRESS.

Parties aggrieved will obtain redress on application to the Procurator-Fiscal at the City Chambers, within eight days after the date of the offence, except in cases when parties are prevented making such application by their absence from town.

Note.—Attention is specially directed to the 237th Section of the Police Act, which imposes a penalty not exceeding 10s. on any person who refuses to pay the regular fare on demand.

# THE STANDARD LIFE ASSURANCE COMPANY.

**T**HIS COMPANY was established at Edinburgh in 1825. The Acts of Parliament 2d and 3d Gul. IV., cap. 81, and 8th and 9th Vict., cap. 75, also the 22d and 23d Vict., cap. 27, have been granted for the purpose of its constitution and for the regulation of its affairs. It has been conducted with much success, which may be attributed not only to its extensive and influential connections, but more particularly to the liberality of its dealings, and to the constant attention paid by the Directors to the adoption of improvements and facilities in connection with the contract of Life Assurance. The AMOUNT OF NEW ASSURANCES effected during the five years from 1860 to 1865 was upwards of THREE MILLIONS EIGHT HUNDRED THOUSAND POUNDS Sterling, and during the three following years, 1866, 1867, and 1868, upwards of THREE MILLIONS FOUR HUNDRED THOUSAND POUNDS Sterling, and the TOTAL SUMS ASSURED now amount to upwards of SIXTEEN MILLIONS Sterling. The COMPANY'S INCOME, which is rapidly increasing, is upwards of SEVEN HUNDRED THOUSAND POUNDS Sterling per Annum. The ACCUMULATED FUND, which is upwards of FOUR MILLIONS Sterling, is invested in Government Securities; Loans on the Security of Land, by Bond and Mortgage; Landed Property; Advances to the Company's Policy-holders, and other undoubted Securities. These Investments were specially investigated, on occasion of the Division of Profits in 1865, by a Committee of Professional Gentlemen appointed for the purpose, whose report, which was entirely favourable, will be found in the Company's Prospectus. The COMPANY'S PROFITS have been divided on Seven occasions—1835, 1840, 1845, 1850, 1855, 1860, and 1865. The next Division will take place in 1870, and at intervals of Five Years thereafter.

DISTRIBUTION OF PROFITS.

NINE-TENTHS or NINETY PER CENT. of the Profits are divided every Seven Years among the Participating Policy-holders. Policies of Five Years' duration becoming Claims between one Division of Profits and another are entitled to an Intermediate Bonus.

The Company's system of Division of Profits, while it does not exclude younger Policy-holders from their fair share in the allocation of Bonus, reserves a larger proportion for those whose Policies have existed for a long period and who have themselves attained an advanced age.

Five Periodical Investigations have already been made, and the results of the equitable principle of Distribution are brought out in the very large Bonuses which attach to cases fulfilling these conditions.

THE RATES OF PREMIUMS

are moderate, and will bear favourable comparison with those
of other First-Class Offices.

The next Division of Profits will be made at 31st March 1871.

THE SCOTTISH EQUITABLE LIFE ASSURANCE SOCIETY is an Institution peculiarly adapted for securing family provisions. It is a purely Mutual Assurance Society. The whole Profits are allocated every FIVE YEARS amongst Policies of five years' duration. No part is, as in the case of a Proprietary Company, diverted from those who are assured, and paid away to Shareholders; and the additions which have already been made to Policies, afford the clearest evidence of the prosperity of the Institution, and the great advantages derived by its members.

Foreign Residence.—The Assured are allowed to travel or reside in any part of Europe in time of peace without licence; and, on application, licence will be given, without payment of Extra Premium, to reside in Canada, the Northern States of North America, Australia (to the southward of 30° south latitude), New Zealand, and the Cape Colony. A small extra premium is charged for the risk of the voyage to the three last-mentioned places.

No extra Charge is made for **Military Service** of any description within the United Kingdom.

Indisputable Policies.—Policies of Five Years' standing may be declared Indisputable on any

ground whatever, except non-payment of the Premiums, on satisfactory evidence that the Assured have no prospect of going beyond the limits of Europe.

Surrender of Policies.—A liberal allowance is given on the Surrender of Policies on which three years' Premiums have been paid.

Loans to Policyholders are granted to the extent of the Surrender Value of their Policies, at a reasonable rate of Interest, free of all expense, and without any other security than the deposit of the Policies. These Loans may be repaid at any time.

LIFE DEPARTMENT.

The advantages, without the defects, of the *Mutual System* of Life Assurance are offered by this Company, which is a *Proprietary* Body, affording complete security to the Assured.

The Bonuses are allocated on a simple and equitable plan, which gives a fair share to each class of Policies, and does not benefit the older Assured at the expense of recent entrants.

There has been a steady increase in the rate of Bonus declared by the Company at successive investigations, while in several of the oldest and largest mutual offices the Bonus Rates have been reduced from time to time, and in the case of one mutual office of high standing and large business there were no profits to divide at last investigation.

FIRE DEPARTMENT.

Almost every description of Property insured against loss or damage from Fire at Rates as low as consistent with safety. Claims are adjusted with liberality and promptly settled.

THE SCOTTISH NATIONAL INSURANCE COMPANY has carried on business successfully since 1841; has issued LIFE POLICIES for more than **FOUR MILLIONS** sterling; and has paid under such Policies, including Bonus Additions, nearly **FOUR HUNDRED THOUSAND POUNDS**. Its affairs have been repeatedly subjected by the Directors to rigid Investigation, and the Profits ascertained have been divided by way of Bonus. In October 1868 the Profits ascertained to have arisen during the previous Four Years yielded an addition to the Policies which were entitled to share at the rate of **£1, 10s. per cent. per annum.**

The Rates of Payment by the Assured are most Moderate, and are adapted to various circumstances, and combined with Liberal conditions as to Travelling, Residence, etc.

THIS SOCIETY is founded on the MUTUAL principle, according to which the WHOLE OF THE PROFITS belong to the Assured. As a consequence of this, large Additions have been declared to Policy-holders at the successive Investigations which have been made into the Society's affairs; the rates of Bonus having ranged from $1\frac{1}{2}$ to 2 per cent. per annum, *calculated not only on the Original Sums Assured, but also on the previous Bonus Additions.* It likewise makes a PROSPECTIVE BONUS ADDITION to all participating Policies which become Claims during the currency of a Septennium, thus securing to its Members all the advantages of an ANNUAL DIVISION OF PROFITS, without any of its disadvantages.

ATTENTION is particularly invited to the Society's original and *economical system of 'MINIMUM PREMIUMS'*; also to the Liberal terms of its Policies, which now permit the Assured, after remaining five consecutive years in this country (or other country for which the Home Rates are chargeable) to travel or reside in any part of the World without payment of Extra Premium.

Prospectuses and Forms of Proposal may be had on application.

LIFE DEPARTMENT.

THE Policies, now in course of being issued by this Company, are free from all unnecessary restrictions, and secure every advantage derivable from the system of Life Assurance. The Premiums are strictly moderate.

The Participation Scheme was begun in 1840, and the oldest Policies for £1000 in connection with it becoming Claims after payment of the Premiums falling due in the current financial year, are increased to £1418, 11s. 2d.; those for larger or smaller sums being proportionately augmented. Bonus Additions may be surrendered for their value in cash, or an equivalent reduction of future Premiums, the Assured having their choice in all cases.

It is provided by the Company's Act of Incorporation, that Investigations shall take place at intervals not exceeding Five Years, and intermediate Bonuses are allowed when Participating Policies, in force at one Division of Profits, become Claims before another—an arrangement which secures for such cases advantages similar to those claimed for Annual Investigations.

The Business in this department has been greatly extended within the last few years. Prospectuses, with every information, may be had on application.

FIRE DEPARTMENT.

All Losses, so soon as satisfactorily ascertained, are liberally and promptly settled.

Losses arising from Explosion of Gas are paid by this Company.

Common, Hazardous, and Doubly Hazardous Risks, are undertaken at the usual rates of 1s. 6d., 2s. 6d., and 4s. 6d. per cent. respectively. Special Insurances at increased rates.

REDUCED RATES FOR THE EAST AND WEST INDIES, AND CHINA.

THE Directors have adopted a new Scale of Rates for the East and West Indies, and China, considerably lower than those formerly charged by this, or, they believe, any other Company; but differing from the old system, in respect that no reduction takes place on the assured returning to Europe, or proceeding to any other part of the world not chargeable with an extra premium.

According to this method, the Assured, instead of being subjected to a heavy Extra Premium during the years of residence in the Tropics, has the option, by paying a fixed rate, of throwing the Extra over the whole currency of the Assurance.

ANNUITIES ARE SOLD ON VERY FAVOURABLE TERMS.

Premiums may be paid Yearly, Half-Yearly, or Quarterly, for a limited number of Years only, or by a Single Payment. No Entry Money or Stamp Duty charged.

FIRE DEPARTMENT.

BY THE PECULIARLY EQUITABLE MANNER OF DIVIDING THE PROFITS, the Policies issued by this Association become payable during the lifetime of the person assured without extra Premium. SPECIAL ADVANTAGES.

The application of the Profits to rendering the Policy payable during the lifetime of the Assured.

The avoidance of all uncertainty, or litigation, by making Policies indisputable.

The assistance granted to an Assurer in the payment of his Premium; thus averting the chance of losing the Benefit of the Policy by forfeiture, through inability to pay the Premium.

Life Policies in full force during the Days of Grace.

ANNUITIES GRANTED ON VERY LIBERAL TERMS, the Health of the Annuitant being taken into consideration.

The EUROPEAN ASSURANCE SOCIETY guarantees the fidelity of persons holding GOVERNMENT and other Situations of Trust.

Officials in or under the TREASURY, CUSTOMS, INLAND REVENUE, GENERAL POST-OFFICE, BOARD OF TRADE, WAR OFFICE, ADMIRALTY, THE HOME, COLONIAL, and INDIA OFFICES. POOR-LAW BOARD, OFFICE OF HER MAJESTY'S WORKS, etc., and other Public Departments, are guaranteed at reduced Rates of Premium.

LIFE ASSURANCE COMBINED WITH GUARANTEE confers important advantages by the abatements made in the Life Premiums.

** Besides the Government, the leading Banks, Railway Companies, Life and Fire Offices, Public Companies, Institutions, and Commercial Firms, accept the guarantee of the Society.

THE BUSINESS of this ASSOCIATION embraces every beneficial form of LIFE ASSURANCE, ANNUITIES, and ENDOWMENTS for OLD AGE.

NINE-TENTHS of THE PROFITS are DIVIDED AMONG THE ASSURED.

DURING 1868, the ASSOCIATION issued 618 NEW LIFE POLICIES, assuring £439,870, and producing in NEW PREMIUMS £15,443. The INVESTED FUNDS at Christmas 1868 amounted to £691,045 sterling.

NON-FORFEITURE POLICIES.

PUBLIC ATTENTION is invited to the special advantages presented by the NEW METHOD of LIFE ASSURANCE by TEN-YEAR NON-FORFEITURE POLICIES. The PREMIUMS on these POLICIES, securing the FULL SUM ASSURED, are payable during the first TEN YEARS only; while each yearly payment (after the first) secures an EQUIVALENT AMOUNT of ASSURANCE although the subsequent Payments should be discontinued. The Policies are thus free from risk of forfeiture on account of non-payment of the Premium.

NON-FORFEITURE POLICIES are also issued for Whole Term Assurances effected by FIFTEEN or TWENTY ANNUAL PAYMENTS, which, after payment of not less than a *fifth part* of the whole number of Premiums contracted for, secure an EQUIVALENT AMOUNT of ASSURANCE corresponding to the number of Premiums actually paid.

NON-FORFEITURE POLICIES by Limited Payments are issued, on similar terms, for ENDOWMENT ASSURANCES payable at SPECIFIED AGES or at Death.

TABLES of RATES for ASSURANCES by this method, with or without PARTICIPATION in PROFITS, may be had on application.

FIFTH DIVISION OF PROFITS.

The FIFTH QUINQUENNIAL INVESTIGATION will take place at CHRISTMAS 1870, WHEN PARTICIPATING POLICIES EFFECTED DURING 1869 UNDER FULL ANNUAL PREMIUMS WILL BE ENTITLED TO TWO YEARS' BONUS ADDITIONS. In this Office the BONUS ADDITIONS have never been at a lower rate than ONE POUND TEN SHILLINGS PER CENT. PER ANNUM on the SUMS ASSURED by WHOLE LIFE POLICIES—a RATE which has now been maintained, *without diminution*, for upwards of TWENTY-FIVE YEARS.

NORWICH UNION FIRE AND LIFE INSURANCE SOCIETIES.

CHIEF OFFICE FOR SCOTLAND—31 Princes Street, Edinburgh.

LIFE OFFICE—ESTABLISHED 1808.

SPECIAL ADVANTAGES.

- I. **Ample Security.**—The Capital, which is upwards of Two MILLIONS THREE HUNDRED THOUSAND POUNDS, is almost wholly invested in Government and Real Securities.
- II. **Moderate Premiums.**—The Rates of Premium are lower than those of some Offices by nearly 10 PER CENT. One half of the first five Annual Premiums may remain as a permanent charge upon Policies granted for the whole duration of Life.
- III. **Surplus Funds.**—The entire Profits belong to the Assured. The number of Policies issued exceeds 37,400.
- IV. **Days of Grace.**—Policies held to be in force when Death occurs within the THIRTY DAYS of grace, although before payment of the Premium, which will be deducted on settlement of the Claim.
- V. **Loans Granted** on Security of Life Policies, after payment of Three Years' Premium.
- VI. **Claims paid in Full** Three Months after proof of Death, or sooner, under deduction of the usual Discount.

ANNUITIES.

The Rates for Annuities, on comparison with those of other Offices, will be found extremely favourable.

Every facility is given to enable Annuitants to draw their amounts, as they become payable, at the place most convenient to themselves.

FIRE OFFICE—ESTABLISHED 1821.

PROMINENT FEATURES.

- I. **Extent of Business.**—The total Sum insured on Property now exceeds EIGHTY-ONE MILLIONS, of which £10,570,836 applies to FARMING STOCK, being by far the largest amount of business transacted by any existing Office on this class of risks.
- II. **Participation in Profits by the Insured.**—Two-fifths of the Profits are distributed every Three or Five Years among parties insuring with the Society. A Bonus of nearly FIFTY PER CENT. upon current Premiums was paid to the Policy-holders on the last occasion.
- III. **Moderate Premiums.**—The Rates of Premium being in no case higher than those charged by the other principal Companies making no return of Profits, the advantage secured by the Insured in this Office is obvious.
- IV. **Claims settled with Promptitude and Liberality.**—Losses arising from Lightning, or by Explosion from Gas, made good.
- V. **Days of Grace.**—Policies falling due at a Term Day are held in force for FIFTEEN DAYS from the date when they become due, when the Insured has a *bona fide* intention to renew the Insurance.

## DEPOSITS AND DEBENTURES.

THE ASSOCIATION receives Money on DEPOSIT or DEBENTURE BOND, at Rates varying from 3 to 4½ per cent., according to the market value of money at the time. If preferred, a uniform Rate of Interest will be given on Deposits for fixed periods of from one to five years, on terms to be arranged. The Debenture Bonds will be granted for three, five, or seven years.

## SAFETY OF DEPOSITS AND DEBENTURES:

The ASSOCIATION lends its Funds on HERITABLE PROPERTY *only*, and at rates corresponding to the market value of money. All the Loans are repayable by instalments, which adds greatly to their safety, any depreciation which might take place in the value of the security being more than met by the gradual diminution of the Loan. The risk arising from the Investments of the Company is thus small, and they are enabled to give comparatively high rates for Deposits. In addition to the fact that the Loans are all secured on Heritable Property *only*, Depositors have the *further guarantee of the Company's large subscribed Capital*.

## LOANS.

Loans are granted on Security of Land, Houses, and every description of Heritable Property.

The Loans are repayable in periods of from four to sixteen years. If desired, *part only* may be made repayable by instalments—the remainder bearing interest, payable half-yearly.

Borrowers can pay off their Loans at any time, either in whole or in part; or the period of repayment can be altered to one more suitable.

## PROPERTY INVESTMENT COMPANY OF SCOTLAND.

THE OPERATIONS OF THIS COMPANY EMBRACE THREE OBJECTS:—

1. Receiving stated Contributions from Unadvanced Shareholders, which are accumulated at Compound Interest.
2. Making Advances to Shareholders to enable them to Purchase, Build, or Redeem Burdens on Dwelling Houses, Offices, Shops, etc.
3. Receiving Deposits from the General Public at a liberal rate of Interest.

### 1. Accumulation of Savings.

A Share in the Company is constituted by a Fortnightly payment of One Shilling; and a Fortnightly payment of Four Shillings, i.e. for Four Shares, accumulating at 5 per cent. compound interest (the ordinary rate of profit), amounts in fourteen years to £100, of which £27, 4s. is interest.

No Fines are imposed for arrears in contribution, and Unadvanced Shares can at any time be withdrawn.

### 2. Advances for Property.

Advances are made to Shareholders for Purchasing, Building, or Redeeming Debts on Houses, Shops, or Offices. An annual payment of £10, 2s. for 14 years extinguishes both principal and interest for every £100 advanced. Advances can at any time be redeemed.

A small Sum annually, in addition to rent, soon enables a Shareholder to become his own landlord.

### 3. Deposits.

A liberal Interest is allowed on Deposits. Depositors incur no liability as Shareholders, and their claims for Principal and Interest are preferable debts on the Company. Deposits are repayable as arranged.

### Security.

The Company cannot, by Act of Parliament, invest its funds in other than Heritable Securities, and the extent of Advances in every instance is limited to the amount authorized by the Surveyor, which is always short of the market value of the property; and as the Advances immediately become repayable by instalments, the Company incur less risk than ordinary lenders on heritable bonds, to whom interest only is paid without reduction of the principal sum.

## INVESTMENT BRANCH.

THE STANDARD INVESTMENT SOCIETY allows at present **THREE AND A HALF** per Cent. Interest on Temporary DEPOSITS, repayable on short notice.

The Society also issues DEBENTURE BONDS or NOTES for sums of Fifty Pounds and upwards. The present rate of interest on these Notes ranges from 4 to 4½ per cent. according to the time for which the money is lodged. Interest payable half-yearly.

The SOCIETY'S WHOLE FUNDS are INVESTED in HERITABLE SECURITIES ONLY, nine-tenths of the Loans on which Advances have been made being secured on property situated in the city of Edinburgh; thus affording to Depositors all the advantages and security of bonds over heritable property, without any of the attendant expenses, risk, or trouble, and with the additional advantage of withdrawing money on short notice, as required.

**THE SPELL.**

THIS invention will be found the best substitute for the Goose Quill ever offered, and possesses an elasticity hitherto unattained by any Metal Pen. The peculiar formation of the point renders it impossible to cut the Paper or spurt the Ink over the surface; and, from the purity and strength of the Metal, it cannot break, though used in the roughest manner by the boldest writer. The Cutting is so arranged that the Ink flows from the point with regularity; giving the finest hair-stroke even on a greasy surface. The greatest care is bestowed on the finish of each Pen: and, being carefully selected, every Pen will be found of equal quality.

In 4s. and 1s. Boxes.

The undernoted Pens are too well known to require comment:—

CALDWELLS' GREAT EXHIBITION PEN.  
CALDWELLS' FRENCH BARREL PEN.  
CALDWELLS' EDINBURGH BANK PEN.  
CALDWELLS' SCHOOL PEN.  
ETC. ETC.

**THE FRENCH NIB.**

A renders to b a continuous flow of ink through the power of capillary attraction in the serpentine cutting, while c and d contribute a compound elasticity hitherto unapproached.

THIS invention will be found invaluable in warm climates, or where the Ink has a tendency to become thick, as it never fails to mark, even where the Ink is thick, or the Paper greasy.

In 6s., 3s. 6d., and 2s. Boxes.

CALDWELLS' BLACK BARREL PEN.  
CALDWELLS' LARGE BARREL PEN.  
CALDWELLS' EAGLE BARREL PEN.

ETC. ETC.

A small charge is made for packing in zinc for hot climates. Illustrated Catalogues, with Samples, as supplied to Her Majesty the Queen and Royal Family.

# FINE FLUID BLUE-BLACK WRITING INK.

## MACDONALD'S BLUE-BLACK WRITING AND COPYING INK.

This INK will be found to flow easily from the Pen, Write Cleanly, and become a rich permanent Black. The same INK will answer well for all Copying purposes.

'It is clean, and flows easily, and may be used for Copying, while it has not the stickiness which makes other Copying Ink unsuitable for any but the one purpose.'—*Invergordon Times*.

'It flows easily from the pen, writes clearly, and becomes a rich black, which we have no doubt time will prove to be as permanent as it is deep. We cordially recommend our readers to give the Ink a trial.'—*Dalkeith Herald and Advertiser*.

From Messrs. WILLIAM TOD, Junr. & CO., Paper Manufacturers.

*'Springfield Mills.*

'We are greatly pleased with your Ink; from its fluidity it is pleasant to write with, while it gives a good copy, the absence of all viscosity is a particular advantage, making it available for books and all work, and the colour is a clear black.'

From P. MORRISON, Esq., Secretary, Scottish Trade Protection Society, Edinburgh.

*'26th May 1868.*

'Mr. JOHN MACDONALD, Chemist, Lasswade.

'Dear Sir,—I have tried your Fluid Blue-Black Ink, and found it very agreeable to write with. It flows freely from the pen, and is particularly adapted for fine and swift writing. But I consider its chief recommendation is its suitableness either for Copying or ordinary writing purposes. Letters written with it have copied most distinctly after standing a day and a night after being written; and when used in books or for ordinary writing purposes, it is entirely free from the glutinousness of Copying Inks.'

**WILLIAM MACKENZIE,**  
**BUILDER AND ASPHALTER,**  
**HOPE PARK END HOUSE, EDINBURGH,**

**R**ESPECTFULLY intimates that he executes every description of Asphaltting, and is ready to furnish Estimates for the same, in Town or Country, on Moderate Terms.

ASPHALT FLOORING is highly recommended for Stables, Byres, Barns, Cattle Sheds, Granaries, Cottars' Houses, and all kinds of Farm Buildings, on account of its being the most effective preventative to the ascent and spread of Damp, its complete exclusion of Vermin, its neat and cleanly appearance, its durability and cheapness in comparison with other descriptions of flooring and pavement, and its healthy and disinfectant properties. While it effects a great saving, by the exclusion of rats and smaller vermin, owing to the close texture of the composition, without seam or joining, it keeps the Grain in a sweet state, from the entire absence of damp or moisture; and wherever the Asphalt Flooring has been used, it has fully realized all the benefits held out by its adoption.
